There are 3 main financial statements that nonprofits and government entities use in their reporting. Two of them are the same: Statement of Activities and Statement of Cash Flows. The third statement, while technically a statement of the same information, is referred to differently by both entities: Government □ Statement of Net Position

3 Major Differences Between Government & Nonprofit Accounting

Fund accounting is an accounting system for recording resources whose use has been limited by the donor, grant authority, governing agency, or other individuals or organisations or by law. It emphasizes accountability rather than profitability, and is used by Nonprofit organizations and by governments. In this method, a fund consists of a self-balancing set of accounts and each are reported as
