Club career. Penny played for his local club Withernsea before joining Hull City's youth system aged 11. Despite being offered an extension to his scholarship in April 2015, he signed for Southern League Premier Division club Bedworth United in September. Having made five appearances, he signed for Northern Premier League Premier Division club Stourbridge later that month.

Glenn added: "We are 100 percent voluntary, none of us get paid. Every penny that comes to us goes straight back into the animals. We are a local rescue fundamentally, but the China dogs is what we want to do too. "Every penny goes to our own local dogs and then fundraise for the China dogs aswell.

Three Asian-American women in New York City endure a series of difficult challenges, from M.J.'s efforts to safeguard her career in a male-dominated industry, to Alex's attempts to break Chinese stereotypes, to Lin's hopes of finding true love.

The Chinese and Tibetan traditions value biography as a primary historiographical and literary genre. This volume analyses biographies as texts, taking seriously the literary turn in historical and religious studies and applying some of its insights to an understudied but central corpus of material in Chinese and Tibetan religion.

Lord Amherst ' s diplomatic mission to the Qing Court in 1816 was the second British embassy to China. The first led by Lord Macartney in 1793 had failed to achieve its goals. It was thought that Amherst had better prospects of success, but the intense diplomatic encounter that greeted his arrival ended badly. Amherst never appeared before the Jiaqing emperor and his embassy was expelled from Peking on the day it arrived. Historians have blamed Amherst for this outcome, citing his over-reliance on the advice of his Second Commissioner, Sir George Thomas Staunton, not to kowtow before the emperor. Detailed analysis of British sources reveal that Amherst was well informed on the kowtow issue and made his own decision for which he took full responsibility. Success was always unlikely because of irreconcilable differences in approach. China ' s conduct of foreign relations based on the tributary system required submission to the emperor, thus relegating all foreign emissaries and the rulers they represented to vassal status, whereas British diplomatic practice was centred on negotiation and Westphalian principles of equality between nations. The Amherst embassy ' s failure revised British assessments of China and led some observers to believe that force, rather than diplomacy, might be required in future to achieve British goals. The Opium War of 1840 that followed set a precedent for foreign interference in China, resulting in a century of ' humiliation ' . This resonates today in President Xi Jinping ' s call for ' National Rejuvenation ' to restore China ' s historic place at the centre of a new Sino-centric global order.

A beauty and beast tale of secrecy and love explores our perceptions of beauty and abnormality.

An insider reveals what can—and does—go wrong when companies shift production to China In this entertaining behind-the-scenes account, Paul Midler tells us all that is wrong with our effort to shift manufacturing to China. Now updated and expanded, *Poorly Made in China* reveals industry secrets, including the dangerous practice of quality fade—the deliberate and secret habit of Chinese manufacturers to widen profit margins through the reduction of quality inputs. U.S. importers don ' t stand a chance, Midler explains, against savvy Chinese suppliers who feel they have little to lose by placing consumer safety at risk for the sake of greater profit. This is a lively and impassioned personal account, a collection of true stories, told by an American who has worked in the country for close to two decades. *Poorly Made in China* touches on a number of issues that affect us all.
