In a non-fantasy manga you can skip the world map and draw the map of the main town or towns in your story (you will want town maps for a fantasy manga as well). For a town map you can draw things like the location of the main characters house, their friends house, the path they take to get to work or school, the key locations around town where the story will take place, etc...

Like Attack On Titan, Death Note is another manga that tells a unique story. One day, a boy named Light Yagami picks up a mysterious notebook that gives him the power to kill anyone by writing their name down as long as he knows their name and face. He uses the notebook to become a god, Kira, and believes that he is the embodiment of justice.
