Art from 1940 to the present is considered as an accumulation of unique contributions by individual artists, examined in depth and interspersed with chapters that concern the broader context in which they worked

Art since 1940 : strategies of being - City of Westminster ...

Jonathan Fineberg's Art Since 1940: Strategies of Being elucidates the philosophical and political discourses of the art world, but it also records the lives of artists as matters of consequence beyond ideology. Artists hold beliefs, and may act on them, but they also learn from what they do and from each other in more personal ways.
