Aston Martin V8 Vantage. Beautiful, rapid, well-built, practical – and yours for a little over 40 grand. Here's everything you need to know to get a good one

The new Vantage Aston Martin 2018 sports car was released a few weeks ago with its new sport design and beautifully sculpted exterior. The car features a sharp, low grille lined with chrome as well as a pair of headlights that are positioned far apart on the front of the vehicle. The new design helps with aerodynamics as a front splitter sends air beneath the car and directs it to the area where it is needed the most; this also allows clean air to get to the diffuser at the back of the car. Besides design, the new Vantage Aston Martin 2018 sports car has also been manufactured to produce more speed on the road, with a twin-turbocharged 4.0 litre V8 engine. The 2018 Vantage has been termed the bread and butter of the company and is the bestselling car for Aston Martin.
