Marked. Part II: Becoming Noah Baxter - Kindle edition by ...

Becoming Noah Baxter is the second part of Lily and Jay's story. I loved the first book so I was excited to see how everything would play out. This book picked up right after the last book. Lily and Jay are separated while Jay tries to take on the Marker. The book starts out from Jay's point of view which I loved.

fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears. Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that

my best friend calls me Pollyanna. I like to believe the best about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

The first is his monstrous size, the second is the malicious way he glares at her, and thirdly, but most importantly, the three scars that mark his right eye. She knows the smart thing to do is stay away, but she has never met or seen anyone like him. The more time she spends with this frightening yet captivating man, the harder it becomes. He can make her hairs stand on end but he also has a sweetness to him that tugs at her heart. Soon she finds herself merged into his world full of murder, revenge, and deceit.

The accident took two lives. But it also took Hannah's memory. Waking in the hospital with zero memories after a car accident that killed her mysterious passenger and the other driver, Hannah finds herself suddenly thrust into a life she doesn't recognize. Doting husband. Two beautiful daughters. PTA meetings. It all feels foreign, and while her husband and doctors assure her she's recovering well and the memories will return, she's not so sure. As she struggles to search for herself, she discovers strange inconsistencies that make her question everything she's been told. When

and like everyone at The Jungle Room, she just wants to get some action. Unfortunately, she stumbles on the wrong kind, witnessing a mob hit. To protect her, she's entered into the Witness Protection Program with by-the-book Special Agent Jake Ward as her chaperone. When the location of their safe house is compromised, Jake stashes Emily deep in the Texas backwoods. The city-girl might be safe from the Mafia, but she has to contend with a psychotic rooster, a narcoleptic dog, crazy cowboys, and the danger of losing her heart to the one man she can't have. “Reading Manifold: Time is like sending your mind to the gym for a brisk workout. If you don’t feel both exhausted and exhilarated when you’re done, you haven’t been working hard enough.”—The New York Times Book Review

The year is 2010. More than a century of ecological damage, industrial and technological expansion, and unchecked population growth has left the Earth on the brink of devastation. As the world’s governments turn inward, one man dares to envision a bolder, brighter future. That man, Reid Malenfant, has a very different solution to the problems plaguing the planet: the

exploration and colonization of space. Now Malenfant gambles the very existence of time on a single desperate throw of the dice. Battling national sabotage and international outcry, as apocalyptic riots sweep the globe, he builds a spacecraft and launches it into deep space. The odds are a trillion to one against him. Or are they? "A staggering novel! If you ever thought you understood time, you'll be quickly disillusioned when you read *Manifold: Time*."—Sir Arthur C. Clarke
