The most common Charles Daly guns encountered of this era will be the over-under that was made by Miroku before Browning entered the scene to become the Miroku's prime outlet. However it is possible that after Charles Daly departed the scene and before a contract with Browning was signed, that Miroku sold guns under their own name in the US , but still using same Miroku s/n range, as depicted by one gun we own.

You may not be looking at Charles Daly now, but I have a 20ga auto that is sweet. I have shot 300 rounds though it killing clay pigeons over the last 4 years. I bought it used. I noticed yesterday that the magazine cap was cracked. I called up today to purchase a new one. They have one on the way for free. JC
