I purchased this book in prep for going for Server+ certification. I took this test last year and failed the first time I took it. I also had a study guide I purchased along with this. There was a lot of information on the test that was NOT in the book. This was the first Comptia test I failed (I have A+, Network+, and Security+).

If you earned a CompTIA A+, CompTIA Network+ or CompTIA Security+ certification prior to January 1, 2011, the certification is considered good-for-life (GFL) and does not expire. If you hold a GFL certification and are interested in bringing that certification current the only option is to pass the current version of the exam.
