Inside you discover: The power of Social Serving versus Social Selling How to position yourself as an Industry Thought Leader How to set out your profile to speak to your ideal clients in a voice they understand How to and when to connect, engage and convert prospects in a professional manner How to write your own scripts that work The rookie mistakes you simply must avoid The LinkedIn Playbook is the answer the small business community is looking for to build a functional and effective lead generation tool that, once put in place, serves them for years to come. "

"Booked is a 5-step process that helps you quickly position yourself as an expert in your industry, directly connect you with an unlimited supply of prospects, and work them through processes that will generate a predictable number of leads and appointments. When you have that predictable number of appointments, you'll have a predictable stream of new clients. While the system does leverage LinkedIn, Facebook, and email, it is not about the platform. It's about the process. No matter where your clients can be found, the process can work for you."--Publisher description.

How to Double Your Results on LinkedIn in 30 Minutes a Day I used to think LinkedIn was a colossal waste of time - until I discovered the simple secrets to success on LinkedIn. If you want to know how to double your leads and sales using LinkedIn beyond what you thought possible...without spending hundreds of dollars on ads...or trying to become a "viral" hit... Then this will be the most important message you ever read. Here's why. If you've been on LinkedIn for a while, the scenario I'm about to describe may be familiar to you... You've found great companies on LinkedIn, that need what you have. So you take the next step. You invite them to connect with you. After sending a bunch of connection requests, you try to sell them on your product or service. You're excited to see how many people are responding... And...nothing. You even refresh the page, hoping that you'll see something different. Still nothing. This continues for a few days, and after a month you realize you won't ever find clients on LinkedIn. And a sinking feeling of failure washes over you - your LinkedIn strategy bombed, even though you technically did everything the "right way" Which leads us to the million dollar question... Why aren't people responding to you? Well, the answer to this is surprisingly simple... Prospects on LinkedIn either don't respond to you, or they click on your profile, spend about 5 seconds reading your profile and summary description - then click away. Which leads us to the core problem... you have no idea how to get prospects to contact you on LinkedIn. And that's where I come in. I wrote this book after studying what works in LinkedIn marketing and have distilled it to a short book that covers the basics of LinkedIn sales. Here's What You'll Discover: Some straight-talk on LinkedIn (that most people never tell you) The 6 BIGGEST mistakes keeping you from generating business on LinkedIn The #1 SECRET to success on LinkedIn The "niche down, scale UP" strategy you need to use (the secret to attracting your perfect customer) How to attract your prospects like a magnet How to instantly find your ideal clients on LinkedIn The mind-blowing LinkedIn networking strategy to skyrocket your engagement Case studies of successful LinkedIn marketing campaigns So if you want to get more results from your LinkedIn sales campaigns, scroll up and buy this book now.

Outlines the managerial decisions and leadership goals that guide a startup business to success, and provides tips and advice from the founders of such companies as Spanx, Zipcar, Flickr, Honest Tea, and LinkedIn.

From Amos Schwartzfarb, serial entrepreneur and veteran Managing Director of Techstars Austin comes the elemental, essential, and effective strategy that will help any startup identify, build, and grow their customers from day 1 Most startups fail because they can't grow revenue early or quickly enough. Startup CEOs will tell you their early missteps can be attributed to not finding their product market fit early enough, or at all. Founders overspend time and money trying to find product-market fit and make false starts, follow the wrong signals, and struggle to generate enough revenue to scale and raise funding. And all the while they never really knew who their customers were, what product they really needed, and why they needed it. But it doesn't have to be this way, and founders don't need to face it alone. Through expert guidance and experienced mentorship, every startup can avoid these pitfalls. The ultimate guide for building and scaling any startup sales organization, Sell More Faster shares the proven systems, methods, and lessons from Managing Director of Techstars Austin and sales expert Amos Schwartzfarb. Hear from founders of multi-million-dollar companies and CEOs who learned firsthand with Techstars, the leading mentorship-driven startup accelerator and venture capital firm that has invested in and mentored thousands of companies, collectively representing billions of dollars in funding and market cap. Schwartzfarb, and the Techstars Worldwide Network of more than 10,000 mentors do one thing better than anyone: help startup entrepreneurs succeed. They know how to sell, how to hire people who know how to sell, and how to use sales to gain venture funding—and now you can, too. Sell More Faster delivers the critical strategies and guidance necessary to avoid and manage the hazards all startups face and beat the odds. This valuable resource delivers: A comprehensive playbook to identify product market direction and product market fit Expert advice on building a diverse sales team and how to identify, recruit, and train the kinds of team members you need Models and best practices for sales funnels, pricing, compensation, and scaling A roadmap to create a repeatable and measurable path to find product-market fit Aggregated knowledge from Techstars leaders and industry experts Sell More Faster is an indispensable guide for entrepreneurs seeking product-market fit, building their sales team, developing a growth strategy, and chasing accelerated, sustained selling success.
