Power over Satan Can Be Yours Becoming a vessel of honor is written for all those children of God who hunger and thirst after a close personal relationship with Him. It is for those who long to hear His voice in their innermost being, who will not be satisfied with anything less than the experience of His presence and glory. It is for those who value such a relationship with our wonderful Creator enough to be willing to pay the price in their own lives to achieve it--the pain of daily carrying the cross. It is for those who are willing to strive for holiness in obedience to our beloved Master, the Lord Jesus Christ. The purpose of this book is also to help you understand the rapidly expanding world of the occult so that not only can you cleanse yourself from any involvement in it, but also avoid its traps. —Rebecca Brown, MD Subjects include: The key to spiritual power--personal holiness The armor of God--how to use it effectively The sin nature--how to understand it and control it Defilement of God's temple--how to avoid it The Holy Spirit vs. demon guides--knowing the difference Deliverance--case studies and guidelines This book contains secret satanic war plans previously not found in print. It reveals how the followers of Satan are openly confronting the followers of Jesus Christ. You must learn the key to spiritual power before you need it! A must for every child of God!

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Change your attitude, change your life. We're very good at explaining why we're unhappy: bad job, bad relationships, bad luck. But there's probably a better reason: bad attitudes. In *Lord, Change My Attitude*, James MacDonald shows us just how much our attitudes affect our lives. One of his bestsellers, this book is classic James: It's clear, it's inspiring, and it packs a punch. Drawing from the experience of the Israelites who grumbled through the wilderness, MacDonald shows how bad attitudes rob us of joy. Coveting, complaining, and being critical are not what our hearts were made for. They were made for thankfulness, contentment, and love. Is your heart straining under the weight of a bad attitude? Don't read this book if you're looking for a quick fix. Don't read this book if you're unwilling to change. Read it if you're ready for a serious, inside-out attitude adjustment.

A major figure in the history of post-Revolutionary literature in Mexico, Juan Rulfo received international acclaim for his brilliant short novel *Pedro Páramo* (1955) and his collection of short stories *El llano en llamas* (1953), translated as a collection here in English for the first time. In the transition of Mexican fiction from direct statements of nationalism and social protest to a concentration on cosmopolitanism, the works of Rulfo hold a unique position. These stories of a rural people caught in the play of natural forces are not simply an interior examination of the phenomena of their world; they are written for the larger purpose of showing the actions of humans in broad terms of reality.

Updated with a new foreword and revised text, a twentieth anniversary release of a top-selling reference counsels women on how to end destructive cycles of co-dependence and misogyny, in a guide that shares case histories of women who have ended or improved relationships with emotionally unavailable, addicted, or unfaithful partners. Reprint. 50,000 first printing.

Think and Grow Rich - Napoleon Hill - The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized and explained for the general public in this book. In *Think and Grow Rich*, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. This book will teach you the secrets that could bring you a fortune. It will show you not only what to do but how to do it. Once you learn and apply the simple, basic techniques revealed here, you will have mastered the secret of true and lasting success. Money and material things are essential for freedom of body and mind, but there are some who will feel that the greatest of all riches can be evaluated only in terms of lasting friendships, loving family relationships, understanding between business associates, and introspective harmony which brings one true peace of mind! All who read, understand, and apply this philosophy will be better prepared to attract and enjoy these spiritual values.
