His feats with Chelsea have made him a cult hero among supporters. In Didier Drogba's honest and revealing autobiography he will talk about life as an immigrant in Paris, the importance of his education and how finding success later than most professional footballers has kept him grounded. In 2012 Didier was voted Chelsea's greatest ever player.

The story of one of the most recognisable and successful players in world football. Didier Drogba is renowned for his heading ability, sharp shooting and sheer strength. He has played for his native Ivory Coast and for clubs in France, China and Turkey, but it is as a Chelsea striker that he is best known. His feats with Chelsea have made him a cult hero among supporters. In Didier Drogba's honest and revealing autobiography he will talk about life as an immigrant in Paris, the importance of his education and how finding success later than most professional footballers has kept him grounded. In 2012 Didier was voted Chelsea's greatest ever player. He talks from a privileged behind-the-scenes position about tactics and how he felt mentally and physically as well as anecdotes from the dressing room. Didier provides unique insight into important and controversial matches from the first trophy he won with them in 2005 to the Premier League title a decade later; as well as what persuaded him to stay when he was at his lowest ebb. Away from football Drogba has been widely applauded for his involvement in trying to broker peace in the Ivorian civil war - he is a UN Goodwill Ambassador and does a huge amount of work with the Didier Drogba Foundation - Time magazine named him one of the world's 100 most influential people. Go behind the scenes at Stamford Bridge and find out about life on and off the field for this humble Chelsea hero.

Didier Drogba is one of the most talented and also most unpredictable players in English football. Brought to Chelsea by Jose Mourinho after success with Marseille in France, he quickly became one of the most lethal strikers in the Premiership and helped Chelsea to the highest success. But then Mourinho – whom Drogba idolised and whose Foreword reveals the admiration is mutual – departed, and the revolving door of managers that followed saw Drogba disaffected, injured, left out of the side and, the nadir, sent off in the 2008 Champions League final. But now under the new coach Guus Hiddink he is fit again and scoring high-pressure goals and a match for any defence. Characteristically, Drogba first published his autobiography in French, and not for him the empty succession of clichés about a great bunch of lads and a game of ninety minutes. This is a story of growing up in West Africa, then an unsettling emigration to France, and a rise to the highest echelon of football there before Chelsea's money came beckoning. It is a controversial book – Drogba found Chelsea in his first months a thoroughly unwelcoming and lonely place – and about much more than football: in his native Ivory Coast Drogba is a hero and even something of a political campaigner for whom peace and prosperity there is more important than any football bauble. Didier Drogba plays for Chelsea and the Ivory Coast.

In his national bestseller, *Soccernomics*, Simon Kuper pioneered a new way of looking at soccer, the world's most popular game, through his witty and meticulous use of data. In *Soccer Men*, Kuper explores the heart and soul of the sport by getting up close and personal with soccer's greatest players and coaches. An inquiry into the genius and hubris of the modern game, *Soccer Men* details the lives of international stars such as Arsène Wenger, Jose Mourinho, Josep Guardiola, Lionel Messi, Wayne Rooney, and David Beckham, describing their upbringings, the soccer cultures they grew up in, the way they play or coach, and the baggage they bring to their relationships at work. In this updated edition, Kuper profiles Hope Solo, Raymond Domenech, Andrea Agnelli, Robin van Persie, Carlo Ancelotti, and more. He also provides a brilliant comparison of two tales of immigrant life: Philip Roth's *Portnoy's Complaint* and the autobiography of Swedish striker Zlatan Ibrahimovic.

Carlo Ancelotti is one of the greatest managers of all time, with five Champions League titles to his name. Yet his approach could not be further from the aggressive theatricals favoured by many of his rivals. His understated style has earned him the fierce loyalty of players like David Beckham, Zlatan Ibrahimovic and Cristiano Ronaldo. In *Quiet Leadership*, Ancelotti reveals the full, riveting story of his managerial career - his methods, mentors, mistakes and triumphs - and takes us inside the dressing room to trace the characters, challenges and decisions that have shaped him. The result is both a scintillating memoir and a rare insight into the business of leadership.

"Every setback, every fight, every goal. This is Costa uncovered" - Graham Hunter Summer 2014. Diego Costa has arrived for his first day as a Chelsea player and he has something he wants to say to his new team-mates. He's been practising a single, short sentence. Actually, a mission statement: "I go to war - you come with me." In *The Art of War*, Fran Guillén retraces every step of Costa's brutal, exhilarating journey: from street footballer in his home city of Lagarto, north-east Brazil, to La Liga winner at Atlético Madrid, through loan spells at Celta Vigo, Albacete, Valladolid and Rayo Vallecano, and finally to Premier League champion with Chelsea in 2015. Through exclusive interviews with coaches, team-mates, agents and friends, Spanish journalist Guillén uncovers the inside story of Costa's arrival in Portugal as a 17 year old and his move to Atlético Madrid where, under Diego Simeone, the player's goalscoring finally started to eclipse his fearsome reputation and saw his emergence as one of the world's greatest strikers. Then in 2014 Costa made the shock decision to defect from the Brazilian side and play for Spain in the World Cup. After a disastrous tournament, Costa joined Jose Mourinho's Chelsea and immediately dispelled the ghosts of Brazil by taking the Premier League by storm in an indomitable debut season at Stamford Bridge. This is an inspiring and insightful portrait of English football's new superstar. Let's go to war.

Get inside the mind of football's most enigmatic icon 'Zidane is the master' Pele One of modern football's most brilliant players - and one of its most iconic and mysterious figures - Zinedine Zidane's football career is the stuff of legend. A World Cup-winner with France, he became the world's most expensive player in 2001 when he moved from Juventus to Real Madrid for £46million, where his exceptional talent earned him a reputation as one of the greatest players of all-time. His playing career concluded explosively when he retired after being sent off for head-butting Marco Materazzi in the 2006 World Cup final. But his football career was far from over. After a spell coaching in Spain, he was appointed manager of Real Madrid in 2015 and immediately demonstrated that his skill as a manager matched his talent on the pitch, leading the team to successive Champions League victories and establishing him as one of the new managerial greats. Rarely speaking to the press, Zidane is known as a man who 'speaks only with the ball'. In this definitive biography, Patrick Fort and Jean Philippe take us behind the scenes of his exceptional career, revealing the man behind the legend.

A highly unusual and thought-provoking book by France and Everton football star Louis Saha. Personally written by Saha without the assistance of a ghostwriter, rather than a straight autobiography, thinking inside the box is the former Manchester United star's analysis of the life of a modern footballer. With the thoughts of Sir Alex Ferguson, Zidane, Drogba, Tim Cahill and many more, Saha 'wanted to write what it is really like. About how to keep it real and stay sane in the middle of this sporting circus'.

'Resilience can give you strength to keep moving forwards when you are caught in the rain or a storm, and keep you continuing on your journey through life. And it is a strength which resides in everyone.'

Mourinho is a beautiful illustrated book which is both a sumptuous celebration of The Special One's managerial career so far, and an enigmatic insight into his unique brand of football wisdom and philosophy. In the legendary manager's very first book, and in his own images and captions, Jose Mourinho charts the peaks and troughs of the opening fifteen years of what has been a stellar rise to the summit of the global game. Through more than 120 personally selected images (some of which are exclusive to the book), fans will relish an intimate and unmissable opportunity to understand and further appreciate this giant of the sport.
