soon discovers the tiny secret behind the huge noise.

A Common Core Exemplar Text by an award-winning author-illustrator team Tomás is a son of migrant workers. Every summer he and his family follow the crops north from Texas to Iowa, spending long, arduous days in the fields. At night they gather around to hear Grandfather's wonderful stories. But before long, Tomás knows all the stories by heart. "There are more stories in the library," Papa Grande tells him. The very next day, Tomás meets the library lady and a whole new world opens up for him. Based on the true story of the Mexican-American author and educator Tomás Rivera, a child of migrant workers who went on to become the first minority Chancellor in the University of California system, this inspirational story suggests what libraries--and education--can make possible. Raul Colón's warm, expressive paintings perfectly interweave the harsh realities of Tomás's life, the joyful imaginings he finds in books, and his special relationships with a wise grandfather and a caring librarian. "A gentle text and innovative artwork. . . . While young readers and future librarians will find this an inspiring tale, the end note gives it a real kick: the story is based on an actual migrant worker [Tomás Rivera] who became chancellor of a university--where the library now bears his name."--Publishers Weekly

Here is the thrilling, thigh-slapping companion to *Swamp Angel*, the beloved Caldecott Honor-winning picture book. *Swamp Angel* has a reputation as the greatest woodswoman and wildest wildcat in all of Tennessee. But when she grows too big for that state, she moves to Montana, a place so sizeable, even *Angel* can fit in. It's there that she wrestles a raging storm to the ground and, at its center, finds herself a sidekick—a horse she names *Dust Devil*. And when *Backward Bart*, the orneriest, ugliest outlaw ever known, starts terrorizing the prairie, seems like *Angel* and *Dust Devil* may be the only ones strong enough to stop him. *Dust Devil* received four starred reviews and was named a *New York Times* Notable Children's Book of the Year and an *Oppenheim Toy Portfolio* Platinum Winner. Children will be captivated by the beauty and exaggerated humor of Paul Zelinsky's American primitive-style paintings and the wit and energy of Anne Isaacs's unparalleled storytelling. Here is an original folktale starring an extraordinary gal who is as feisty as she is funny and as courageous as she is kind.

Along with other amazing feats, Angelica Longrider, also known as *Swamp Angel*, wrestles a huge bear, known as *Thundering Tarnation*, to save the winter supplies of the settlers in Tennessee.

Unusual from the day she is born, *Thunder Rose* performs all sorts of amazing feats, including building metal structures,
