very early age. Every child who recognizes letters, who practices them and learns them, will find it easier to read and write extended texts later on. This ABC and numbers book is intended to make your children fit at their first contact with letters and numbers. BOOK FEATURES 62 sheets/124 pages Premium matte cover design Easy-to-follow dotted lines to start learning the alphabet as well as numbers 0-9 Large alphabet and numbers 1-9 printed on the back cover for easy reference For ages 3-5 to practice fine motor skills Perfectly sized at 8.5"x11" Essential writing practice for preschool and kindergarten The alphabet has a fixed structure. It begins with the letter A and ends with the letter Z. This book is also structured in this way for better orientation. After the alphabet, we have added all numbers from 0-9. Your children can work with this paper quite freely. In practice, it has been shown that many children start with letter A (or number 1) and later on, they continue working with their favorite letters and numbers. This is perfectly fine because children should learn that letters and numbers have a meaning for them. Give your child enough time and space to work through the book. Once your child has mastered all the exercises, he or she will be able to learn to handwrite quickly. Do not hesitate and invest in your child's education right now!
