Mr. Wells has said there will be no third book, but If he reads this I will say, a lot of authors today (because of the ease in downloading Ebooks) are doing Novella's to fill in untold gaps in their stories. I do wish you would consider a Novella to fill in the gaps of the ending. If you read Variant and liked it, I do recommend Feedback.

Benson Fisher thought that a scholarship to Maxfield Academy would be the ticket out of his dead-end life. He was wrong. Now he ' s trapped in a school that ' s surrounded by a razor-wire fence. A school where video cameras monitor his every move. Where there are no adults. Where the kids have split into groups in order to survive. Where breaking the rules equals death. But when Benson stumbles upon the school ' s real secret, he realizes that playing by the rules could spell a fate worse than death, and that escape—his only real hope for survival—may be impossible.

Perfect for fans of James Dashner's The Maze Runner, Feedback is the heart-stopping sequel to Variant—which Pittacus Lore, author of I Am Number Four, praised as "an intense journey with some of the most shocking twists and turns I've ever read." Benson Fisher escaped from Maxfield Academy's deadly rules and brutal gangs. He thought that the worst was over. But now Benson is trapped in a different kind of prison—a town filled with familiar faces. Classmates from Maxfield who Benson had seen die. Friends he was afraid he had killed. They are all pawns in the school's twisted experiment, held captive and controlled by an unseen force. And while Benson struggles to figure out who, if anyone, can be trusted, he discovers that Maxfield Academy's plans are darker than anything he imagined—and they may be impossible to stop.

We are not alone. They are here. And there ' s no going back. Perfect for fans of The Fifth Wave and the I Am Number Four series, Dark Energy is a thrilling stand-alone science fiction adventure from Robison Wells, critically acclaimed author of Variant and Blackout. Five days ago, a massive UFO crashed in the Midwest. Since then, nothing—or no one—has come out. If it were up to Alice, she ' d be watching the fallout on the news. But her dad is director of special projects at NASA, so she ' s been forced to enroll in a boarding school not far from the crash site. Alice is right in the middle of the action, but even she isn ' t sure what to expect when the aliens finally emerge. Only one thing is clear: everything has changed.

Homeland meets Marie Lu's Legend in Blackout, which #1 New York Times bestselling author Ally Condie called "a thrilling combination of Wells's trademark twists and terror. Fantastic!" Laura and Alec are highly trained teenage terrorists. Jack and Aubrey are small-town high school students. There was no reason for their paths ever to cross. But now a mysterious virus is spreading throughout America, infecting teenagers with impossible superpowers—and all teens are being rounded up, dragged to government testing facilities, and drafted into the army to fight terrorism. Suddenly, Jack, Laura, Aubrey, and Alec find their lives intertwined in a complex web of deception, loyalty, and catastrophic danger—where one wrong choice could trigger an explosion that ends it all.

Homeland meets Marie Lu ' s Legend in the explosive sequel to Blackout, which #1 New York Times bestselling author Ally Condie called " a thrilling combination of Wells ' s trademark twists and terror. Fantastic! " It began with a virus. Then a series of attacks erupted across the nation. Now America is at war—and a handful of teens with impossible powers are its only defense. In Dead Zone, Robison Wells delivers his most nail-bitingly tense read yet—and an electrifying conclusion to a two-book series that ' s perfect for fans of The Maze Runner and I Am Number Four.

This 50-page digital original novella introduces readers to Blackout, a series by acclaimed author Robison Wells that combines the high-stakes intensity of television's Homeland with the lightning-fast action of Marie Lu's Legend. Something strange is happening to Krezi. She has a dangerously high fever her doctors can't explain, and objects keep bursting into flames around her—but the fire doesn't seem to

hurt her at all. Krezi wants nothing more than to control her mysterious abilities. But what she doesn't know is that there are others like her out there . . . and in the wrong hands, this power could be deadly. Going Dark also features a teaser to Blackout. The riveting conclusion to the international bestselling sci-fi thriller STARTERS! Would you rent out your body to the elderly so they could be young again? Someone is after Starters like Callie and Michael—teens with chips in their brains. They want to experiment on anyone left over from Prime Destinations—Starters who can be controlled and manipulated. With the body bank destroyed, Callie no longer has to rent herself out to creepy Enders. But Enders can still get inside her mind and make her do things she doesn't want to do. Like hurt someone she loves. Having the chip removed could save her life—but it could also silence the voice in her head that might belong to her father. Callie has flashes of her ex-renter Helena's memories, too . . . and the Old Man is back, filling her with fear. Who is real and who is masquerading in a teen body? No one is ever who they appear to be, not even the Old Man. Determined to find out who he really is and grasping at the hope of a normal life for herself and her younger brother, Callie is ready to fight for the truth. Even if it kills her. Praise for ENDERS: “ Adrenaline-fueled . . . Fans of Starters will gobble this up. ” —Booklist “ Delightfully disturbing. ” —Kirkus Reviews “A thrilling post-apocalyptic story that will keep readers on the edge of their seats from start to finish.” --Children's Literature

Born an empath, I have the power— and burden— of hearing thoughts and feeling emotions of others. Retreating from the world, my only refuge is an ancient tower, but my haven is shattered when an injured man arrives with a plea to save the kingdom. Liam is the perfect knight, yet one attribute makes me hesitate. He is immune to my powers. His thoughts are a mystery, his heart an enigma. And while I fear the unknown, I cannot resist the desire to unravel his secrets. For I am Aura, one of the adopted daughters of Lady Eville. I have joined Liam in his quest to destroy a magical blight that ushers in darkness and poisonous thorns. The closer I get to the source, the more I sense threads of destiny weaving a deadly cage, and at the end of the journey lies a fate worse than death. Eternal slumber.
