The cheerful elephant/boy and his mouse and the sweet tooth episode all suggest a far younger audience than seems likely to follow the whole second half of the story. off the page in this fresh and funny picture book adaptation of how Ganesha came to write the epic poem of Hindu literature, the Mahabharata. Ganesha is just like any other kid, except that he has the head of an elephant and rides around on a magical mouse. And he loves sweets, especially the traditional dessert laddoo. But when Ganesha insists on biting into a super jumbo jawbreaker laddoo, his tusk breaks off! Ganesha is terribly upset, but with the help of the wise poet Vyasa, he learns that what seems broken can actually be quite useful after all. With vibrant, graphic illustrations, expressive characters, and offbeat humor, this is a wonderfully inventive twist on a classic tale.

An original story based on Hindu mythology, this book tells the story about how Ganesha's love of sweets led to a broken tusk and the writing of the epic poem, the Mahābhārata. Includes author's note about the myth.

The Donner Party expedition is one of the most notorious stories in all of American history. It's also a fascinating snapshot of the westward expansion of the United States, and the families and individuals who sacrificed so much to build new lives in a largely unknown landscape. From the preparation for the journey to each disastrous leg of the trip, this book shows the specific bad decisions that led to the party's predicament in the Sierra Nevada Mountains. The graphic novel focuses on the struggles of the Reed family to tell the true story of the catastrophic journey. This popular topic is a perfect addition to the Nathan Hale's Hazardous Tales brand, and a great showcase for Hale's storytelling skills.
