Summaries and Excerpts: Gone / Michael Grant.

I'm not even going to lie, but when I was a kid I always wished that the adults would disappear so kids could rule the world. That is exactly what happens in Gone, but Michael Grant throws in a little supernatural/super power flare into it. There's action, humour, villains and a mystery so addictive you won't be able to put it down.

Michael Grant is the evil genius of Young Adult Fiction. Among his biggest fans is Stephen King who called the GONE series 'A driving, torrential narrative'. Michael has now written around 150 books (with Katherine, as himself, under pseudonyms and as a ghostwriter).

The first in New York Times bestselling author Michael Grant’s breathtaking dystopian sci-fi saga, Gone is a page-turning thriller that invokes the classic The Lord of the Flies along with the horror of Stephen King. In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what’s happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It’s a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . Michael Grant’s Gone has been praised for its compelling storytelling, multidimensional characters, and multiple points of view.

It’s been three months since everyone under the age of fifteen became trapped in the bubble known as the FAYZ. Three months since all the adults disappeared. Gone. Food ran out weeks ago. Everyone is starving, but no one wants to figure out a solution. And each day, more and more kids are evolving, developing supernatural abilities that set them apart from the kids without powers. Tension rises and chaos is descending upon the town. It’s the normal kids against the mutants. Each kid is out for himself, and even the good ones turn murderous. But a larger problem looms. The Darkness, a sinister creature that has lived buried deep in the hills, begins calling to some of the teens in the FAYZ. Calling to them, guiding them, manipulating them. The Darkness has awakened. And it is hungry.

This collection contains all six books in New York Times bestselling author Michael Grant’s breathtaking dystopian sci-fi Gone saga. These page-turning thrillers invoke the classic The Lord of the Flies along with the horror of Stephen King. King himself said: “I love these books.” In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what’s happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It’s a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . Michael Grant’s Gone series has been praised for its compelling storytelling, multidimensional characters, and multiple points of view. Included in this collection are: Gone, Hunger, Lies, Plague, Fear, and Light.

It’s been eight months since all the adults disappeared. Gone. They’ve survived hunger. They’ve survived lies. But the stakes keep rising, and the dystopian horror keeps building in Plague, Michael Grant’s fourth book in the New York Times bestselling Gone series. A highly contagious fatal illness is spreading at an alarming rate, while sinister, predatory insects terrorize Perdido Beach. Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they’ll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love?

It’s been seven months since all the adults disappeared. Gone. It happens in one night: a girl who died now walks among the living; Zil and the Human Crew set fire to Perdido Beach; and amid the flames and smoke, Sam sees the figure of the boy he fears the most: Drake. But Drake is dead—or so they thought. Perdido Beach burns and battles rage: Astrid against the Town Council; the Human Crew versus the mutants; and Sam against Drake, who is back from the dead and ready to finish where he and Sam left off. They say that death is a way to escape the FAYZ, but are the kids of Perdido Beach desperate enough to believe that death will set them free?

Welcome back to the FAYZ! This is Book 6 in the series that Stephen King calls a ‘driving, torrential narrative’.

Acclaimed author Michael Grant’s globally bestselling Gone series continues with Villain, where old foes return and new ones rise, with action-packed scenes, gory battles, and plot twists that will leave readers scrambling for more. It’s been four years since the events of GONE. The Perdido Beach dome is down, but the horrors within have spread. The alien virus-infested rock that created the FAYZ is creating monsters—monsters that walk the cities and countryside, terrorizing all. There are tanks in the street and predator drones in the sky, doomed efforts to stop the disintegration of civilization. Into this chaos comes a villain with the power to control anyone with just the sound of his voice. Dillon Poe wanted to be a comedian once...but everyone made fun of him. Dillon the loser. Dillon the freak. Now he’s sending thousands to their death. Who’s laughing now? The only people who can stop a superpowered villain are superpowered heroes. Dekka, Shade, Cruz, Malik, Armo, and a new mutant with unmatched powers, are all that stand in Dillon’s way. But when the lines begin to blur between hero and villain—some begin to wonder who’s really the monster. Praise for the Gone series: “Exciting, high-tension stories. I love these books.” —Stephen King “Intense, marvelously plotted, paced, and characterized.” —ALA Booklist (starred review)

It’s been one year since all the adults disappeared. Gone. Despite the hunger, despite the lies, even despite the plague, the kids of Perdido Beach are determined to survive. Creeping into the tenuous new world they’ve built, though, is the worst incarnation yet of the enemy known as the Darkness: fear. Within the FAYZ, life breaks down while the Darkness takes over—turning the dome-world of the FAYZ entirely black. A will to survive and a desire to take care of those they love endure in this ravaged band, even in the bleakest moments. But in darkness, the worst fears of all emerge, and the cruelest of intentions are carried out. After so many months, is all about to be lost in the FAYZ?

Acclaimed author Michael Grant delivers a stunning follow-up to the globally bestselling Gone series—perfect for fans of Stephen King’s suspenseful writing. It’s been four years since a meteor hit Perdido Beach and everyone disappeared. Everyone, except the kids trapped in the FAYZ—an invisible dome that was created by an alien virus. Inside the FAYZ, animals began to mutate and teens developed dangerous powers. The terrifying new world was plagued with hunger, lies, and fear of the unknown. Now the dome is gone and meteors are hitting earth with an even deadlier virus. Humans will mutate into monsters and the whole world will be exposed. As some teens begin to morph into heroes, they will find that others have become dangerously out of control...and that the world is on the brink of a monstrous battle between good and evil. Praise for the Gone Series: “Exciting, high-tension stories. I love these books.” —Stephen King “Intense, marvelously plotted, paced, and characterized...” —ALA Booklist (starred review)
