When a loved one dies by suicide, emotions can overwhelm you. Your grief might be heart wrenching. At the same time, you might be consumed by guilt — wondering if you could have done something to prevent your loved one's death. As you face life after a loved one's suicide, remember that you don't have to go through it alone.

## **Suicide grief - Mayo Clinic**

While acknowledging that there are no easy answers, he draws on the resources of the Christian faith to point suicide survivors to the God who offers comfort in our grief and hope for the future. For those who have lost a loved one to suicide and for their counselors and pastors, this book is an essential companion for the journey toward healing.

## **Bereavement by suicide | Mind, the mental health charity**

...

And when a person dies from something like suicide or overdose, the relief may come from a place of knowing that their loved one is no longer struggling with emotional (and sometimes physical) pain. This doesn't mean that the person grieving the loss wouldn't trade their relief to have their loved one back for just one moment, or that they don't also feel intense pain and sadness.

## **Grieving After a Suicide Death - What's Your Grief**

It is not uncommon for those bereaved by suicide to expect their loved ones to walk through the door, to expect the phone to ring or to feel that they are in a dream state. Researchers talk about this disbelief as being a natural protective mechanism which will dissipate over time as a person starts to adjust to the death and the absence of the person from their life.
