Writers on the Fly: Chelsea Cain~~Heartsick Chelsea Cain~~

Serial killer stories are a dime a dozen but Chelsea Cain's HeartSick is a cut above the rest (no pun intended). Not only is this novel a real page turner, but it's also very well-written with characters you believe in and sympathize with, even when they're doing things you suspect are definitely not in their best interests.

~~Heartsick (Archie Sheridan & Gretchen Lowell, #1) by ...~~

Heartsick. Audiobooks: Det. Archie Sheridan led the Beauty Killer Task Force for ten years, before the Beauty Killer (Gretchen Lowell) caught him, tortured him for ten days and then mysteriously let him go and turned herself in. Now it's two years later and Archie, addicted to pain pills and still obsessed with Gretchen, is called off medical ...

Best-selling thriller writer Chelsea Cain "kicks" off a new series of thrillers starring former kidnapping victim Kick Lannigan, a thorough badass if we've ever seen one. We ask Cain what it was like spending time with her new creation.

Addicted to painkillers and still bound to Gretchen Lowell, the beautiful serial killer who had abducted and tortured him before turning herself in, Portland detective Archie Sheridan is caught in another deadly duel with a murderer targeting teenage girl

With the Beauty Killer Gretchen Lowell locked away behind bars once again, Archie Sheridan—a Portland police detective and nearly one of her victims—can finally rest a little easier. Meanwhile, the rest of the city of Portland is in crisis. Heavy rains have flooded the Willamette River, and several people have drowned in the quickly rising waters. Or at least that's what they thought until the medical examiner discovers that the latest victim didn't drown: She was poisoned before she went into the water. Soon after, three of those drownings are also proven to be murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto, but she's also got another lead to follow for an entirely separate mystery: The flooding has unearthed a skeleton, a man who might have died more than sixty years ago, the last time Portland flooded this badly, when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life, and Susan Ward close behind, Chelsea Cain—one of today's most talented suspense writers—launches the next installment of her bestselling series with an electric thriller.

Chelsea Cain's novels featuring Portland detective Archie Sheridan and serial killer Gretchen Lowell have captivated fans through two nail-biting entries, Heartsick and Sweetheart, both of them multiweek bestsellers in The New York Times, USA Today, and Publishers Weekly. Gretchen Lowell is still on the loose. These days, she's more of a cause célèbre than a feared killer, thanks to sensationalist news coverage that has made her a star. Her face graces magazine covers weekly and there have been sightings of her around the world. Most shocking of all, Portland Herald reporter Susan Ward has uncovered a bizarre kind of fan club, which celebrates the number of days she's been free. Archie Sheridan hunted her for a decade, and after his last ploy to catch her went spectacularly wrong, remains hospitalized months later. When they last spoke, they entered a détente of sorts---Archie agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off and Archie is forced back into action. Has the Beauty Killer returned to her gruesome ways, or has the cult surrounding her created a whole new evil? Chelsea Cain continues to deliver heart-stopping thrills and chills in the latest entry in this dynamic bestselling series.

"Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes -- legal or not -- to see justice served ... if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking."--Page 4 of cover.

Nothing makes Portland detective Archie Sheridan happier than knowing that Gretchen Lowell—the serial killer whose stunning beauty is belied by the gruesome murders she's committed—is locked away in a psych ward. Archie can finally heal from the near-fatal physical and emotional wounds she's inflicted on him and start moving on with his life. To this end, Archie throws himself into the latest case to come across his desk: A cyclist has discovered a corpse in Mount Tabor Park on the eastern side of Portland. The man was gagged, skinned, and found hanging by his wrists from a tree. It's the work of a killer bold and clever enough to torture his victim for hours on a sunny summer morning in a big public park and yet leave no trace. And then Archie gets a message he can't ignore—Gretchen claims to have inside knowledge about this grisly murder. Archie finally agrees to visit Gretchen, because he can't risk losing his only lead in the case. At least, that's what he tells himself . . . but the ties between Archie and Gretchen have always been stronger, deeper, and more complex than he's willing to admit, even to himself. What game is she playing this time? And even more frightening, what long-hidden secrets from Gretchen's past have been dredged up that someone would kill to protect? At once terrifying and magnetic, "Beauty Killer" Gretchen Lowell returns with a vengeance in Kill You Twice, Chelsea Cain's latest razor-sharp psychological thriller.

Meet Gretchen Lowell, the stunningly beautiful psychopath The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured…and then let go. Here together for the first time in a fabulous eBook bundle are the first three thrillers in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series. HEARTSICK Archie Sheridan finally put Gretchen Lowell, the Beauty Killer, in prison, but he can't seem to forget her. Now, he realizes that even behind bars, Gretchen might be the only person who can help him find the serial killer he's currently tracking. SWEETHEART When the body of a young woman is discovered in Portland's Forest Park, Archie can't focus on the new investigation because the Beauty Killer case has exploded again: Gretchen Lowell has escaped from prison. EVIL AT HEART Gretchen Lowell is still on the loose, and is developing her own bizarre kind of fan club. When Archie and Gretchen last spoke, he agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off.

Damaged detective Archie Sheridan is back home in Portland, Or., trying to resume a normal life. Archie's ties to serial killer Gretchen Lowell still run deep, even if he's stopped their weekly visits in prison. Meanwhile, reporter Susan Ward is finishing an article accusing a beloved U.S. senator of seducing his children's 14-year-old babysitter a decade earlier. When three bodies are discovered in a local park where Archie's team found Gretchen's first victim 12 years earlier, Archie worries another serial killer is at large. After the senator's unexpected death, Susan discovers links between the sex scandal and the bodies in the park. When Gretchen escapes from prison, Archie knows he's the only one who can stop her from killing.

"If you are reading this, then I am gone and this manuscript, per my instruction, has been delivered to the writer Chelsea Cain for publication as she sees fit . . ." America's favorite girl detective is back to set the record straight. According to our titian-haired heroine, she was not a fictional character, but an intrepid real-life sleuth who investigated some of the twentieth century's biggest mysteries. And the famous series she starred in was not cooked up by a team of writers, but plagiarized from her exploits by a nosy college roommate-who, not surprisingly, got a whole lot wrong. Here are the daring escapes, brilliant hunches, and dependable stock characters, including interlopers from numerous other beloved series, that have delighted generations of fans. And here, also, are the details of teen-sleuth life that you never saw: the secret romances, reckless driving, minor drinking problems, political action, and domestic drama that have, up till now, remained hidden from these brave detectives' adoring public.

Addicted to painkillers and still bound to Gretchen Lowell, the beautiful serial killer who had abducted and tortured him before turning herself in, Portland detective Archie Sheridan is caught in another deadly duel with a murderer targeting teenage girls.
