All Praise is due to Allah, the Lord of the Worlds, the [One Who] Sustains the Heavens and Earths, Director of all that is created, who sent the Messengers (may the peace and blessings of Allah be upon all of them) to rational beings, to guide them and explain the religious laws to them with clearproofs and undeniable arguments. I praise Him for all of His bounties. I ask Him to increase His Grace and Generosity. I bear witness that there is none worthy of worship except Allah alone, who has no partner, the One, Who Subdues, the Generous, the Forgiving. I bear witness that our leader Muhammad is His servant and Messenger, His beloved and dear one, the best of all creation. He was honoured with the Glorious Qur'an that has been an enduring miracle throughout the years. He was also sent with his guiding Sunnah that shows the way for those who seek guidance. Our leader Muhammad has been particularised with the characteristic of eloquent and pithy speech, and simplicity and ease in the religion. May the peace and blessings of Allah be upon him, the other Prophets and Messengers, all of their families and the rest of the righteous. NO Copyrights!!! "We wait for the moon. We watch for the moon. We watch for the Ramadan moon. We give to the poor, and read Qur'an, under the moon. We live our faith, until next year under the moon, under the moon, under the Ramadan moon." Ramadan is one of the most special months of the Islamic year, when Muslims pray, fast, and help those in need. The lyrical story, with luminous illustrations, serves as an introduction to Ramadan—a time for reflection and ritual with family and friends. A detailed note about Ramadan is included.

The newest biography for children and young adults of the Holy Prophet Muhammad, designed to be read over the month of Ramadan.

Sufism is a religion which emphasizes direct knowledge of the divine within each person, and meditation, music, song, and dance are seen as crucial spiritual strides toward attaining unity with God. Sufi paths of mysticism and devotion, motivated by Islamic ideals, are still chosen by men and women in countries from Morocco to China, and there are nearly one hundred orders around the world, eighty of which are present and thriving in the United States. The Chishti Sufi order has been the most widespread and popular of all Sufi traditions since the twelfth-century. Sufi Martyrs of Love offers a critical perspective on Western attitudes towards Islam and Sufism, clarifying its contemporary importance, both in the West and in traditional Sufi homelands. Finally, it provides access to the voices of Sufi authorities, through the translation of texts being offered in English for the first time.

Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the

common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the histo! rical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.
