Based on intensive research, bestselling author John Randolph Price reveals how we create our own experiences by the masks we choose to wear - masks such as the Victim, Tyrant, Manipulator, Fanatic, Worrier, and Deceiver. We put on these absurd false faces - sometimes unconsciously - to get our way, or to defend ourselves against the external forces that seem to be preying on us. The challenges of life seem to be magnified because the universe always reflects back the disguises we are wearing, replaying all of our misconceptions and vulnerabilities in the physical world.

This unique story will teach you what it means to be "spiritual" in this world.

Included are guidelines on how to move up in consciousness from the busy world of effects to the one and only Cause of all good within. Some of the other books in the series are: The Abundance Book, The Wellness Book, The Success Book, and The Love Book.
