Kathleen Brooks - Non Executive Director - ALTR London ...

At the heart of Kathleen's trading philosophy is the principle that fundamental factors - politics, economics and societal changes - cause currency prices to move in the medium to long term (and sometimes in the strangest ways), but throughout the day the price movements are based upon technical factors. Building a trading plan around the two sets of factors works for her and by reading about how she does her pre-trade market analysis (the homework), forms a trading plan and puts the plan ...
