Long War Series. A series that covers the whole of the Persian Wars from a first-person point of view, while deliberately playing with some of the reader's perceptions of both history and the way that 'adventure' or 'boy's own' genre fiction is written. The first book, Killer of Men, named after Achilles, follows in first person the life of Arimnestos.

Arimnestos of Plataea was trained by Calchas, a priest who tended the shrine of a great warrior and a Killer of Men. He was a Killer of Men, himself: There is a passage, late in the poem, when Achilles is still sulking and Hector rages among the Greeks.

The first book of the Long War told of how Arimnestos became a Killer of Men. Through hard labour, unexpected fights, slavery, piracy and brutal war, the young Plataean became a great hero and killer whose name alone made Greeks and Persians quake. But while those events changed Arimnestos the man, they did not change his path.
