Master Tung History

Tung acupuncture was until recently passed down through an oral tradition thought to have dated back to the Han dynasty (206 CE – 220 CE). The last descendant in this family lineage was Master Tung Ching Ch'ang, who was born

One of the most unique features of Master

Tung's Acupuncture is the use of synergistic needling, which he called Dao Ma. What Master Tung found through his clinical experience is that using one or even two needles to treat most conditions is not enough.
