For over forty centuries, mercenaries have plied their trade and been instrumental in toppling empires or holding the tides of war at bay. And as mankind expanded to the stars, soldiers of fortune rose to new heights of power. Business is booming, yet along with those riches comes a dangerous life and the scorn of many who see only filthy lucre-warriors. Its a dangerous life, but as long as you keep your Mech intact and your bottom line balanced, the universe is yours!

Omnibus edition of all three novels in the Forges of Mars trilogy - Priests of Mars, Lords of Mars and Gods of Mars - as well as an additional short story. The Martian Mechancius's thirst for knowledge is insatiable, and when Archmagos Lexell Kotov learns of an ancient expedition that went in search of the very source of life in the universe itself, he immediately assembles a powerful Explorator fleet to follow in its footsteps. Not only does Kotov have the powerful engines and warriors of the Adeptus Mechanicus to call upon, even the troops of the Imperial Guard and the vaunted Space Marines join his crusade. The way, however, is treacherous and fraught with perils both within and without the

fleet. There are marvels and wonders at the edge of known space, discoveries beyond price, but there are those who believe the secrets of the universe should stay hidden and beings there who pose a danger not only to the fleet but to the Imperium itself.

In the cold darkness of space, the voracious alien tyranids travel from world to world, consuming all in a futile attempt to slake their hunger for bio-matter. Lying directly in their path is the industrial planet Tarsis Ultra, where Captain Uriel Ventris and the Ultramarines of Fourth Company stand shoulder to shoulder with their battle-brothers from the Mortifactors Chapter. As war rages and the situation looks bleak, Uriel must accept the barbaric traditions of his allies and act against
