In addition to classic and foundational articles of enduring importance, the latest edition of *The New Palgrave Dictionary of Economics* includes entries on topical issues including gender and economics, recent economic crises in the European Union and beyond, health economics and the economics of the Internet.

The New Palgrave Dictionary of Economics | Macmillan ...

The new edition will take account of the new developments that have taken place since the book first appeared five years ago. Many of the examples in the current edition will be updated using debates and examples from current research. Furthermore, the author has added more examples in order to clarify some of his original arguments.
