Abbey and other locales. Some years ago, a temporary inability to sleep, referable to a distressing impression, caused me to walk about the streets all night, for a series of several nights.

## *The Charles Dickens Page - Night Walks*

Charles Dickens describes in *Night Walks* his time as an insomniac, when he decided to cure himself by walking through London in the small hours, and discovered homelessness, drunkenness and vice on the streets. This collection of essays shows Dickens as one of the greatest visionaries of the city in all its variety and cruelty.

*Night Walks (Penguin Great Ideas):*

*Amazon.co.uk: Dickens ...*

In *Night Walks*, insomniac Charles Dickens recounts the walks he goes on when he can't sleep. I had high hopes that this book, a minor work of non-fiction from a novelist who, to some extent, steps aside from his field, would be right up my alley. After all, I usually find so many hidden gems in this sort of book, but *Night Walks* didn't work for me. I suspect my ignorance of the time period prevented me from latching on to any narrative flow that might have carried me through.

*Night Walks by Charles Dickens - Goodreads*

Dickens was an energetic walker and more than an occasional insomniac. His essay 'Night

walks ' collected in The Uncommercial Traveller explores the experience of sleeplessness as experienced by a wandering Dickens, in the city of London. His wanderings bring him close to many encounters of the most harrowing, poverty stricken kind.

*Charles Dickens' Night Walks: Analysis and thoughts.*

Walk At Night With Charles Dickens. In 1857 Dickens is believed to have taken these walks. He walked the streets of London at 2 O'clock in the morning. It is said that he had a lot of turmoil in his life at this time. The look at the streets of London in those early days is fascinating. The night streets of London, and a first hand account of a literary genius.

One night in October 1857, with things less than harmonious in his marriage, Charles Dickens walked from his house in central London to his house in Kent - some 30 miles. (In *Great Expectations*,...

*In the footsteps of Charles Dickens - Telegraph*

Whether on his night walks through London, or tramping through the Kent countryside, Dickens clocked up a huge number of miles on foot. He is estimated to have walked twelve miles per day - Peter Ackroyd, in his biography of Dickens, says that he habitually walked twelve miles in two-and-a-half hours, with just a five-minute break.

*Walking with Charles Dickens - Luke McKernan*

On a dark, cold October night in 1857, Charles Dickens stepped out of his home in Tavistock Square at two o'clock in the morning, and walked to his country house, Gad's Hill Place, near Rochester, some 30

## *Novelist*

According to his friend and biographer John Forster, it was not unusual for Dickens to walk seven or eight miles, sometimes as many as 12, before dawn. I began night walking not as a cure for sleeplessness, but because a year of reading nothing but Dickens had given me the idea that I wanted to see London as he had seen it.
