GCSE Economics has been specifically written to meet the requirements of the National Criteria and covers the new GCSE syllabuses completely. The book is a stand-alone course companion and includes everything needed for GCSE Economics courses - knowledge, course-work, exam guidance and homework activities. It is written in a straightforward style and, wherever possible, theory and knowledge are supported with visual material. Case studies based on a fictional village, as it progresses through various stages of economic development, are used throughout the text and are tiered according to the degree of difficulty.

Written by experts and revised to OCR GCSE specifications, this student book offers complete coverage of the requirements for controlled assessment, and provides material to cater for student differentiation.

A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications. Endorsed for the OCR J560 GCSE Mathematics Foundation tier specification for first teaching from 2015, this Student Book provides full coverage of the new GCSE Mathematics qualification. With a strong focus on developing problem-solving skills, reasoning and fluency, it helps students understand concepts, apply techniques, solve problems, reason, interpret and communicate mathematically. Written by experienced teachers, it also includes a solid breadth and depth of quality questions set in a variety of contexts. GCSE Mathematics Online - an enhanced digital resource incorporating progression tracking - is also available, as well as Problem-solving Books, Homework Books and a free Teacher's Resource.

'Expo' provides total support for the AQA specification with motivating resources and a strong focus on controlled assessment and exam preparation from day one.
