Oil! is a novel by Upton Sinclair, first published in 1926–27 and told as a third-person narrative, with only the opening pages written in the first person. The book was written in the context of the Harding administration's Teapot Dome Scandal and takes place in Southern California. It is a social and political satire skewering the human foibles of all its characters. The main character is ...

Upton Sinclair fashioned a novel out of the oil scandals of the Harding administration, providing in the process a detailed picture of the development of the oil industry in Southern California. Bribery of public officials, class warfare, and international rivalry over oil production are the context for Sinclair's story of a genial independent oil developer and his In Oil!

~~Oil! by Upton Sinclair - Goodreads~~

The much ballyhooed movie There Will Be Blood is supposedly based upon Upton Sinclair ' s 1927 novel Oil!, but it surely miscasts Sinclair ' s focus and technique. The movie limits itself to a study of a manic, ruthless oil prospector, more a personality study, but the novel is a much wider socialist attack on corporate power and labor suppression, top-to-bottom government corruption, and ...

The classic novel that inspired the Academy award-winning film, *There Will Be Blood*. Penguin Books is proud to now be the sole publisher of *Oil!*, the classic 1927 novel by Upton Sinclair. After writing *The Jungle*, his scathing indictment of the meatpacking industry, Sinclair turned his sights on the early days of the California oil industry in a highly entertaining story featuring a cavalcade of characters including senators, oil magnets, Hollywood film starlets, and a crusading evangelist. This lively and panoramic book, which was recently cited by David Denby in the *New Yorker* as being Sinclair's "most readable" novel, is now the inspiration for the Paramount Vantage major motion picture, *There Will Be Blood*. It is the long-awaited film from Paul Thomas Anderson, one of the most admired filmmakers working today whose previous movies, *Boogie Nights* and *Magnolia* were both multiple Academy Award nominees. The movie stars Oscar-winner Daniel Day-Lewis (*Gangs of New York*, *My Left Foot*) and Paul Dano (*Little Miss Sunshine*). Paramount Vantage will be releasing the film in New York and Los Angeles on December 26, 2007 and go nationwide in January. This is the same company responsible for *Babel* and *A Mighty Heart* and the current releases, *Into the Wild*, *Margot at the Wedding*, and *The Kite Runner*. As wars rage on in the oil region and as anxiety over natural resources rise, the subject of this book, which celebrates its 80th anniversary in 2007, is more timely than ever.

A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors

Download Ebook Oil Upton Sinclair

of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks

Download Ebook Oil Upton Sinclair

gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

Much like *The Jungle*, *King Coal* is a novel about the abysmal working conditions of coal miners. It is loosely based on the 1914 Colorado coal strikes. It is typical of his critical novels by being told from the perspective of the little guy and a struggling union. *King Coal* offers plenty for historians of early labor unions or those who just enjoy a story about the underdog.

Life of the son of an oil magnate, based on the Teapot Dome scandal of the Harding administration.

Pulitzer Prize Winner: An American in Germany fights against the rising tide of Nazi terror in this monumental saga of twentieth-century world history. In the wake of the 1929 stock market crash, Lanny Budd's financial acumen and his marriage into great wealth enable him to continue the lifestyle he has always enjoyed. But the devastation the collapse has wrought on ordinary citizens has only strengthened Lanny's socialist ideals—much to the chagrin of his heiress wife, Irma, a confirmed capitalist. In Germany to visit relatives, Lanny encounters a disturbing atmosphere of hatred and jingoism. His concern over the growing popularity of the Nazi Party escalates when he meets Adolf Hitler, the group's fanatical leader, and the members of his inner circle. But Lanny's gravest fear is the threat a national socialist government poses to the German Jewish family of Hansi, the musician husband of Lanny's sister, Bess—a threat that will impel the international art dealer to risk his wealth, his future, even his life in a courageous

Download Ebook Oil Upton Sinclair

attempt to rescue his loved ones from a terrible fate. Winner of the 1943 Pulitzer Prize for Fiction, *Dragon ' s Teeth* brilliantly captures the nightmarish march toward the Second World War. An astonishing mix of history, adventure, and romance, the Lanny Budd Novels are a testament to the breathtaking scope of Upton Sinclair ' s vision and his singular talents as a storyteller.

A compelling graphic novel adaptation of Upton Sinclair's seminal protest novel that brings to life the harsh conditions and exploited existences of immigrants in Chicago's meatpacking industry in the early twentieth century. Long acclaimed around the world, Upton Sinclair's 1906 muckraking novel *The Jungle* remains a powerful book even today. Not many works of literature can boast that their publication brought about actual social and labor change, but that's just what *The Jungle* did, as it led to the passage of the Pure Food and Drug Act of 1906. In today's society, where labor and safety of the food we eat remain key concerns for all, Sinclair's shocking story still resonates. Bringing new life and energy to this classic work, adapter and illustrator Kristina Gehrmann takes Sinclair's prose and transforms it through pen and ink, allowing you to discover (or rediscover) this book and see it from a whole new perspective.
