T. S. Eliot was not only one of the greatest poets of the twentieth century he was also one of the most acute writers on his craft. In On Poetry and Poets, which was first published in 1957, Eliot explores the different forms and purposes of poetry in essays such as "The Three Voices of Poetry," "Poetry and Drama," and "What Is Minor Poetry?" as well as the works of individual poets, including Virgil, Milton, Byron, Goethe, and Yeats.

On Poetry and Poets by Eliot, T S - Biblio

My Ph.D advisor Leonard Unger made his career on the first book studying TS Eliot's verse, in 1947, and to the end of his life, as a scholar and wit, he returned to Eliot's subjects, like 17C wits (and Shakespeare) as well as to Eliot himself, in Eliot's Compound Ghost, which strongly influenced my own dissertation, This Critical Age: Deliberate Departures from Literary Conventions in Seventeenth Century English Poetry (1976/ 1981).

Seven essays on poetry, with definitions on the mind of the creative writer, and nine essays on poets - Virgil, Sir John Davies, Milton, Johnson, Byron, Goethe, Kipling, and Yeats.

The Nobel Prize-winning poet's literary essays and lectures on Virgil, Sir John Davies, Milton, Johnson, Byron, Goethe, Kipling, Yeats, and the art of poetry.

A collection of poems, some of which had first appeared in *Poetry*, *Blas*, *Others*, *The Little Review*, and *Arts and Letters*.

As a poet, editor and essayist, T. S. Eliot was one of the defining figures of twentieth century poetry. This selection, which was made by Eliot himself, includes many of his most celebrated works, including *The Love Song of J. Alfred Prufrock* and *The Waste Land*. Other volumes in this series: Auden, Betjemen, Plath, Hughes and Yeats.

Written in a fine and lucid prose style, *T. S. Eliot and American Poetry* presents a critical study of Eliot's major poems as it examines what America means to its poets. Eliot's contribution to a poetic dialogue on this subject with Ralph Waldo Emerson, Edgar Allan Poe, Walt Whitman, Hart Crane, Robert Lowell, John Ashbery, and other literary figures plays a significant role in this groundbreaking study. Investigating Eliot's literary inheritance through

his familial traditions, represented particularly by his mother, Charlotte Eliot, and in terms of the American Renaissance, Lee Oser addresses all phases of Eliot's career as a poet. Following an introduction that reevaluates the importance of Poe and Whitman for Eliot and modernism, the discussion proceeds from Eliot's reaction against the progressive ethos of late Puritan culture, to the appearance in his writing of numerous figures of exile and disinheritance as an expression of lost American patrimony, to his flight from the realm of history, and his eventual return to the spiritual and cultural traditions of New England. A final chapter weighs Eliot's impact on Robert Lowell, John Ashbery, and Elizabeth Bishop. Through its dialectical view of American literary and intellectual history, T. S. Eliot and American Poetry constructs a practical methodology for comparing Eliot with other American poets. Juxtaposing Eliot's poems, lectures, and essays (including generous excerpts from Eliot's uncollected prose) with landmark texts by Emerson, Poe, Whitman, and many others, Oser engages in a deeper analysis of Eliot's Americanness than has hitherto been possible. In addressing Eliot's treatment of America as symbol and topos, the work presents a multifaceted chronicle of Eliot's development that enriches formalist and historicist approaches alike. T. S. Eliot and American Poetry makes numerous original contributions to the field of literary history. No previous work has so richly pursued Eliot's literary and familial inheritance, as well as his legacy to American poetry; the result is a highly nuanced perspective on contemporary debates about poetry, criticism, and culture.

When Denis Donoghue left Warrenpoint and went to Dublin in September 1946, he entered University College as a student of Latin and English. A few months later he also started as a student of lieder at the Royal Irish Academy of Music. These studies have informed his reading of English, Irish, and American literature. Now in this volume, one of our most distinguished readers of modern literature offers his most personal book of literary criticism. Donoghue's *Words Alone* is an intellectual memoir, a lucid and illuminating account of his engagement with the works of T. S. Eliot--from initial undergraduate encounters with "The Love Song of J. Alfred Prufrock" to later submission to Eliot's entire writings. "The pleasure of Eliot's words persists," Donoghue says, "only because in good faith it can't be denied." Submission to Eliot, in Donoghue's case, involves the ear as much as it does the mind. He is a reader who listens attentively and a writer whose own music in these pages commands attention. Whether he is writing about Eliot's poetry or confronting the (often contentious) prose, Donoghue eloquently demonstrates what it means to read and to hear a master of language.

Poet, dramatist, critic and editor, T. S. Eliot was one of the defining figures of twentieth-century poetry. This edition of *The Complete Poems and Plays*, published for the first time in paperback, includes all of his verse and work for the stage, from *Prufrock and Other Observations* (1917) to *Four Quartets* (1943), and includes such literary landmarks as *The Waste Land*, *Old Possum's Book of Practical Cats* and *Murder in the Cathedral*. 'Each year Eliot's presence reasserts itself at a deeper level, to an audience that is surprised to find itself more chastened, more astonished, more humble.' Ted Hughes

This poem-by-poem analysis has come to be regarded as an indispensable guide for readers interested in T. S. Eliot's poetry. George Williamson treats his subject with great precision. Documenting his analyses with ample quotes from the poems and essays, he elucidates the structure and meaning of Eliot's masterpieces. To make this guide more accessible, the poems are arranged in chronological order, as they appeared in *The Complete Poems and Plays*.
