The AVEC symposium is a leading international conference in the fields of vehicle dynamics and advanced vehicle control, bringing together scientists and engineers from academia and automotive industry. The first symposium was held in 1992 in Yokohama, Japan. Since then, biennial AVEC symposia have been established internationally and have considerably contributed to the progress of technology in automotive research and development. In 2016 the 13th International Symposium on Advanced Vehicle Control (AVEC '16) was held in Munich, Germany, from 13th to 16th of September 2016. The symposium was hosted by the Munich University of Applied Sciences. AVEC '16 puts a special focus on automatic driving, autonomous driving functions and driver assist systems, integrated control of interacting control systems, controlled suspension systems, active wheel torque distribution, and vehicle state and parameter estimation. 132 papers were presented at the symposium and are published in these proceedings as full paper contributions. The papers review the latest research developments and practical applications in highly relevant areas of vehicle control, and may serve as a reference for researchers and engineers.

In the Writing & Speaking Assessment Booklet there are 12 sample answers for the Writing paper (one to correspond to each unit of the Student's Book), written by real FCE students. For each sample answer, there are notes that explain what students need to do in the task, and how the answer would be assessed by a Cambridge ESOL examiner. This booklet also includes a DVD of real FCE students taking the Speaking test, with comments from experienced examiners, so you can see exactly how this part of the test works, and understand how to accurately assess your students. The material on the DVD is supported with photocopyable worksheets, useful phrases, tips and examiner's questions in the booklet. The Using a dictionary for exams booklet is full of ideas for using dictionaries to improve your students' language skills and performance in the exam. These ideas are followed by photocopyable worksheets so your students can put what they've learnt into practice. This booklet has been updated to reflect changes in the new Student's Book. In the Teacher's Book, there are 12 Unit and four Progress Tests, all with answer keys. The tests are photocopyable for use in class.
