Reviews jazz recordings and includes biographical details and lineups.

The Penguin Guide to Jazz Recordings is firmly established as the world's leading guide to recorded jazz, a mine of fascinating information and a source of insightful - often wittily trenchant - criticism. This is something rather different: Brian Morton (who taught American history at UEA) has picked out the 1000 best recordings that all jazz fans should have and shows how they tell the history of the music and with it the history of the twentieth century. He has completely revised his and Richard Cook's entries and reassessed each artist's entry for this book. The result is an endlessly browsable companion that will prove required reading for aficionados and jazz novices alike. 'It's the kind of book that you'll yank off the shelf to look up a quick fact and still be reading two hours later' Fortune 'Part jazz history, part jazz Karma Sutra with Cook and Morton as the knowledgeable, urbane, wise and witty guides ... This is one of the great books of recorded jazz; the other guides don't come close' Irish Times

A one-of-a-kind new guide to recorded blues This informative, insightful, and easy-to-use A-Z guide surveys the recorded work of more than a thousand blues artists. From towering figures of the past like Charley Patton, Bessie Smith, and Robert Johnson to stars of the modern era such as B. B. King, Buddy Guy, and Stevie Ray Vaughan, this valuable resource provides crisp, expert, and witty reviews of almost six thousand recordings and is required reading for blues aficionados as well as anyone just starting a collection.

Lists and reviews jazz recordings covering more than seven decades, and includes biographical details, line-ups, recording information, and a critical rating for each recording

Charles Mingus was one of the most innovative jazz musicians of the 20th Century, and ranks with Ives and Ellington as one of America's greatest composers. By temperament, he was a high-strung and sensitive romantic, a towering figure whose tempestuous personal life found powerfully coherent expression in the ever-shifting textures of his music. Now, acclaimed music critic Gene Santoro strips away the myths shrouding "Jazz's Angry Man," revealing Mingus as more complex than even his lovers and close friends knew. A pioneering bassist and composer, Mingus redefined jazz's terrain. He penned over 300 works spanning gutbucket gospel, Colombian cumbias, orchestral tone poems, multimedia performance, and chamber jazz. By the time he was 35, his growing body of music won increasing attention as it unfolded into one pioneering musical venture after another, from classical-meets-jazz extended pieces to spoken-word and dramatic performances and television and movie soundtracks. Though critics and musicians debated his musical merits and his personality, by the late 1950s he was widely recognized as a major jazz star, a bellwether whose combined grasp of tradition and feel for change poured his inventive creativity into new musical outlets. But Mingus got headlines less for his art than for his volatile and often provocative behavior, which drew fans who wanted to watch his temper suddenly flare onstage. Impromptu outbursts and speeches formed an integral part of his long-running jazz workshop, modeled partly on dramatic models like Orson Welles' Mercury Theatre. Keeping up with the organized chaos of Mingus's art demanded gymnastic improvisational skills and openness from his musicians-which is why some of them called it "the Sweatshop." He hired and fired musicians on the bandstand, attacked a few musicians physically and many more verbally, twice threw Lionel Hampton's drummer off the stage, and routinely harangued chattering audiences, once chasing a table of inattentive patrons out of the FIVE SPOT with a meat cleaver. But the musical and mental challenges this volcanic man set his bands also nurtured deep loyalties. Key sidemen stayed with him for years and even decades. In this biography, Santoro probes the sore spots in Mingus's easily wounded nature that helped make him so explosive: his bullying father, his interracial background, his vulnerability to women and distrust of men, his views of political and social issues, his overwhelming need for love and acceptance. Of black, white, and Asian descent, Mingus made race a central issue in his life as well as a crucial aspect of his music, becoming an outspoken (and often misunderstood) critic of racial injustice. Santoro gives us a vivid portrait of Mingus's development, from the racially mixed Watts where he mingled with artists and writers as well as mobsters, union toughs, and pimps to the artistic ferment of postwar Greenwich Village, where he absorbed and extended the radical improvisation flowing through the work of Allen Ginsberg, Jackson Pollock, and Charlie Parker. Indeed, unlike most jazz biographers, Santoro examines Mingus's extra-musical influences--from Orson Welles to Langston Hughes, Farwell Taylor, and Timothy Leary--and
