The Media Convergence
Handbook sheds new

Acces PDF Philips Flat

light on the complexity of media convergence and the related business challenges.

Approaching the topic from a managerial, technological as well as end-consumer perspective, it acts as a reference book and educational resource in the field. Media convergence at business level may imply

Acces PDF

Philips Flat

transforming business models and using multiplatform content production and distribution tools.

However, it is shown that the implementation of convergence strategies can only succeed when expectations and aspirations of every actor involved are taken into account. Media
