Human Performance is a safety philosophy
that recognizes that workers make errors.
And most of the time no one cares,

Get Free Pre Accident Investigations An

because nothing negative happens. Pre-Accident Investigation recognizes that these errors are a treasure of information for the organization, if the organization uses them to learn.

Paperback

Written by NITA guest bloggers Michaela
Vrazdova and Michael J. Dale In trial
practice, the question often arises as to
whether police accident reports are
admissible into evidence under the
business record exception to the hearsay
rule, and if they are not, why not. It turns
out that there is no single answer, as states
differ. Therefore, this article analyzes the
law regarding this issue in ...
