Book Used- Psychology- Themes & Variations. My class uses that book in the title. You can still use these notes for a reference but you might understand these better with that book. I just wanted to lend a hand in this difficult process of studying and school in general. This site is still under construction because I'm still taking the class.

Read PDF Psychology Themes And Variations

and Variations by Wayne Weiten

Themes and variations contains 16 chapters. Like a textbook it has information on all the aspects of general psychology. Themes and variations is comparable to some other books on psychology. These include Understanding Psychology and Exploring Psychology. Introductory chapter of the book is named as evolution of psychology. Chapter one contains all the historical development that has been done for making psychology a separate science.
