Re-Zoom by Istvan Banyai is a wordless picture book that will engage almost any reader. The book begins with a grainy red and blue image that is hard to discern. At every turn of the page, the verso is a solid black page directing the reader's eye to the recto. Each recto contains a full bleed illustration.

Re-Zoom is a wonderful book, especially for those who are very visual-minded. Although this book doesn't have any text, it does take the "reader" on an adventure that contains many surprises. On one page, readers will think they're one place, and the next, they're somewhere else. jmitra1, December 3, 2014

Stuck in an endless cycle of dieting and relapsing? Tried every diet and still not seeing any results? This cycle can be destructive - to our morale and to our bodies. Susan Peirce Thompson PhD is here to help. In ReZoom, she provides a science-based framework to help you improve your health, develop self-belief and avoid relapses in dieting willpower. Susan, founder and CEO of Bright Line Eating Solutions, experienced her own cycle of rezooming into her diet programme and then breaking from it. She decided that we need to put the zoom in resume. You'll discover:

- the tools to break free from the endless dieting cycle
- the science behind addiction to food
- the societal elements that affect how we feel about food
- how
