~~Respect — Get Involved | The Football Association~~

The ReSPECT process creates personalised recommendations for a person's clinical care and treatment in a future emergency in which they are unable to make or express choices. These recommendations are created through conversations between a person, their families, and their health and care professionals to understand what matters to them and what is realistic in terms of their care and treatment.

~~ReSPECT | Resuscitation Council UK~~

Respect is awarded once the item is completed and not during the smithing process. If smithing an item would increase the player's respect over 100%, any extra respect is lost; for example, if a player has 99% respect, and smiths an item that gives 30,000 experience, they will have 100% respect after completing the item, not 102%.

This smart, savvy book helps teen girls get respect and hold on to it no matter what—at home, at school, with their friends, and in the world. Tips, activities, writing exercises, and quotes from teens keep readers involved. This “big sister” style inspires trust. Girls learn respect is connected to everything, every girl deserves respect, and respect is always within reach because it starts on the inside. This book is your guide to getting respect and keeping it.

Raising a child in today's world is a challenging task. Kids don't come with instruction manuals, and no test is required to parent. So, it makes sense that many of us feel unprepared and unready for the task at hand. But, the job doesn't have to be quite so difficult. There are strategies and skills that can help the parenting process be more effective and successful for the whole family. At the center of these techniques is one simple idea - Respect Your Children. So, what does it mean to Respect Your Children? It's about communicating with our kids, talking to them and listening to their answers. Understanding the difference between discipline and punishment. It's caring for them with love, instead of obligation or resentment. Whether it be teaching, or simply chatting on the couch, parents need to tackle every situation from a position that starts with this one overriding principle - respect. Throughout the course of this book, you will learn a variety of tools, skills and strategies that will help you become a better role model, and a better parent.

Learning the Art of Effective Leadership walks you through the process of learning who you are as a leader and gives you practical steps that you can immediately implement to help bring unity, cohesion, clarity, and a sense of purpose to your team. Without these, your vision for your team will go unfulfilled. Readers will find inspiring stories, chapter summaries, key takeaways, leadership applications, and thought questions with reflective exercises to ensure the material and concepts are reinforced. It is an extremely well-written, comprehensive, well documented, and thorough approach on unleashing a person's leadership abilities!

A self-help, confidence-building guide for girls offers advice on developing self-respect and discusses pride, personal appearance, and social interaction.

The essential reference for anyone who needs to write, send an invitation, formally introduce, or speak to their local sheriff, pastor, judge, or city councilman.

The workplace has become a hotbed of social toxicity - from the #MeToo movement to WeWork, it's clear that abusive bosses and entrenched cultures of discrimination have become more prevalent than ever. Such behaviour is not only simply wrong and damaging to its victims - it also results in reduced productivity, higher employee turnover, and can often leave a stain upon the wider reputation of an organization. In Toxic, Clive Lewis draws upon his decades of experience in HR and mediation to distill the problems and underlying causes of toxic workplaces before tackling the issue head-on. He draws upon first-hand case studies from an eclectic array of workplaces (from corporate offices to hospitals) to demonstrate how toxicity can be both prevented and resolved. This is a practical guide for business leaders and HR professionals looking to preserve a peaceful workplace, while also providing tips for employees looking to remain productive and focused when working with troublesome colleagues in difficult environments.

Dear Severson Sisters Super Girl: We know that growing up can sometimes feel like a maze. The middle-school maze is probably the biggest maze of all. There are friends who may not always treat you like a friend. There are days you want to try something totally new, but don't know how to.
