A renowned political speechwriter rediscovers Judaism, finding timeless wisdom and spiritual connection in its age-old practices and traditions. "Sarah Hurwitz was Michelle Obama's head speechwriter, and with this book she becomes Judaism's speechwriter." Adam Grant, New York Times bestselling author of Give and Take, Originals, and co-author of Option B After a decade as a political speechwriter—serving as head speechwriter for First Lady Michelle Obama, a senior speechwriter for President Barack Obama, and chief speechwriter for Hillary Clinton on her 2008 presidential campaign—Sarah Hurwitz decided to apply her skills as a communicator to writing a book . . . about Judaism. And no one is more surprised than she is. Hurwitz was the quintessential lapsed Jew—until, at age thirty-six, after a tough breakup, she happened upon an advertisement for an introductory class on Judaism. She attended on a whim, but

was blown away by what she found: beautiful rituals, helpful guidance on living an ethical life, conceptions of God beyond the judgy bearded man in the sky—none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year. That class led to a years-long journey during which Hurwitz visited the offices of rabbis, attended Jewish meditation retreats, sat at the Shabbat tables of Orthodox families, and read hundreds of books about Judaism—all in dogged pursuit of answers to her biggest questions. What she found transformed her life, and she wondered: How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it? Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays, ethics, and prayer to Jewish conceptions of God, death, and social justice. In this entertaining and accessible book, she shows us why Judaism matters and how its message is more relevant than ever, and she inspires Jews to do the learning, questioning, and debating required to make this religion their own. Searching for meaning in the ancient scripture and traditions of Judaism, Sarah Hurwitz takes us along on an enriching journey of discovery. In *Here All Along*, she explores her birthright as a Jew and finds timeless and valuable life lessons. untangles our conflicting understandings of gratitude and sets the table for a renewed practice of giving thanks. We know that gratitude is good, but many of us find it hard to sustain a meaningful life of gratefulness. Four out of five Americans report feeling gratitude on a regular basis, but those private feelings seem disconnected from larger concerns of our public lives. In *Grateful*, cultural observer and theologian Diana Butler Bass takes on this “gratitude gap” and offers up surprising, relevant, and powerful insights to practice gratitude. Bass, author of the award-winning *Grounded* and ten other books on spirituality and culture, explores the transformative, subversive power of gratitude for our personal lives and in communities. Using her trademark blend of historical research, spiritual insights, and timely cultural observation, she shows how we can overcome this gap and make change in our own lives and in the world. With honest stories and heartrending examples from history and her own life, Bass reclaims gratitude as a path to greater connection with god, with others, with the world, and even with our own souls. It’s time to embrace a more radical practice of gratitude—the virtue that heals us and helps us thrive.
