"States and Power in Africa" is not
only a criticism of the state system on
Africa's unique history and condition

Get Free States And Power In Africa Comparative

but is a debate in war and peace.
What historians and theorists rarely
touch on is the counter-factual, 'what
would Africa look like, what could have
Africa developed outside of
colonialism?'

States and Power in Africa: The Basic

Thesis The starting point of Herbst's

analysis is that Africa is plagued by

"state failure." A state is meant to

provide certain public goods in

society, such as law and order, defense, contract enforcement, and infrastructure. Yet in Africa most states provide very few of these.

States and Power in Africa by Jeffrey I. Herbst: A Review ...

At the same time, the consolidation of

Get Free States And Power In Africa Comparative

states in Africa remains a central political issue. The fundamental assumption undergirding this study is that states are only viable if they are able to control the territory defined by their borders. Control is assured by developing an infrastructure to broadcast power and by gaining the
