The ABS offers annually to general surgery residency programs the In-Training Examination (ABSITE®), a multiple-choice exam designed to measure the progress attained by residents in their knowledge of applied science and management of clinical problems related to surgery.

The first outline-style ABSITE review book is still the best! The ABSITE Review, 6th Edition, remains your #1 choice for effective, efficient review for this critically important exam. Written in a high-yield, memory-prompting outline format, Dr. Fiser ' s concise handbook covers every topic on the American Board of Surgery In-Training Examination, thoroughly updated for today ' s residents. It provides a rapid review of essential surgery information with sufficient explanation to build knowledge and confidence as you prepare for the ABSITE.

The Comprehensive ABSITE Review is arguably the best single review source for the ABSITE. This review is completely updated, with detailed information reflecting recent exams.

"The sixth edition of The ABSITE Review continues to target important material found in the ABSITE with new guidelines and information on infection, trauma care, breast cancer, humeral rejection, and a number of other topics. Like previous editions, The ABSITE Review provides a quick, easy review of important surgical topics while still providing sufficient explanation, so readers do not feel lost"--

The ABSITE Review: Practice Questions, Second Edition includes over 1100 essential questions covering material found on the ABSITE. This book focuses on all aspects of general surgery and current standard of care recommendations. Topics covered include new recommendations for morbid obesity surgery, breast cancer management, hemostatic resuscitation, management of anti-platelet and anticoagulation agents, damage control surgery, surgery in pregnancy, angiography in trauma, and other pertinent issues. Chapters on basic

science and surgical subspecialties are also included. All aspects of general surgery are covered and this book can be used as a sole resource for the exam.

Now in its Third Edition, The ABSITE Review is one of the most popular study guides for the American Board of Surgery In-Training Examination (ABSITE), which residents in general surgery must take each year and residents going into surgical subspecialties must take during the year of their general surgery training. This easy-to-use book presents concise, digestible chunks of information in lists and outlines that facilitate quick memorization. Every component of the exam is covered—basic science and clinical knowledge in all areas tested. This edition incorporates common decision-making algorithms and covers the material that has appeared in the most recent exams.

For surgery residents studying for their yearly in-service exam, recent graduates preparing for Surgery written boards, or those recertifying, there ' s no better review tool than Dr. Christian DeVirgilio ' s Review of Surgery for ABSITE and Boards, 2nd Edition. Content has been tested for a number of years on Harbor-UCLA surgical residents and has proven to significantly improve exam scores. Now thoroughly up to date with new topics, new questions, and new contributors, it fully prepares you for success on surgery exams. 957 multiple-choice, single best answer questions that closely follow the new ABSITE and board style. Proven content has been tested and shown to help you get the score you want. Correct answers and rationales are based on information found in major reference works in the field of surgery. NEW topic areas (gynecology, urology, and orthopaedics) reflect the format of the new exam. NEW section on Medical Knowledge. NEW contributors (general surgery residents) ensure that the content is relevant to the needs of general surgery trainees. NEW! Aligned with the SCORE (Surgical Council on Residency Education) Curriculum Outline for General Surgery Residents.

Written by Johns Hopkins University School of Medicine faculty and surgical residents, the second edition of The Johns Hopkins ABSITE Review Manual delivers comprehensive coverage of the American Board of Surgery In-Training Examination through two full-length practice tests. Both tests are based on actual key words from recent ABSITEs, and are accompanied by test review sections, which go over every practice test question and answer, providing rationales behind surgical decision-making. ABSITE-style question format familiarizes readers with the test ' s presentation and content. This edition features twice the number of questions as in the previous edition, offering even more opportunities for self-paced review. Rationales for correct and incorrect responses help to identify the test-taker ' s strengths and weaknesses. This book is ideal not only for those preparing for the ABSITE, but also for surgeons and residents studying for the general surgery qualifying exam and for all surgical residents seeking to review key topics during rotations.

From the author of The ABSITE Review. Contains over 500 essential practice questions for the ABSITE Exam. Detailed explanations for each answer. Covers all major topic areas.

Designed as a results-oriented study guide that delivers everything needed to improve knowledge, confidence and recall. Over 3000 rapid-fire questions cover all topics on the ABSITE and general surgery board exams.
