Review of Brinkley Messick's now classic study of the centrality of writing and calligraphy in Yemen.

(PDF) Review of The Calligraphic State: Textual Domination ...

Textual domination, in this analysis, entails the interlocking of a polity, a social order, and a discursive formation. I focus attention on a number of discursive features, particularly modes of authoritative expression, that are shared by several categories of texts and built into the practices of a number of important institutions.

Intertwined Histories: Islamic Law and Western Imperialism

Brinkley Messick's (1993) monograph *The Calligraphic State* has provided a now classic exploration of such a polity in North Yemen, and its transformations under modernization. His analysis of these processes turns on a central image: the shift from a “calligraphic,” that is, personalized form of “textual domination,” drawing its ...
