"The Change Leader's Roadmap provides access to a rare experience: creating real, transformational change in a grounded, easy-to-understand manner. This is a must for anyone responsible for complex, large-scale change efforts."

Methodologies | Being First, Inc.

A change roadmap communicates how your company will evolve. To be successful, companies cannot stay the same. But change does not come easily—especially for large, complex organizations. A change roadmap provides a simple illustration of the change process, clearly painting the big picture and the end game. Change roadmaps are a useful guide for leadership, helping them to spearhead change throughout their teams.

Change Roadmap - Template and Examples | Roadmunk

The Change Leader's Roadmap allows us to lead change with precision and minimal outside consulting, while at the same time growing change leadership capability internally. This is the most complete change methodology we have found anywhere." --PETE FOX, general manager, Corporate Accounts, Microsoft US
