summary

THE PORT CHICAGO 50 **The Port Chicago 50 Disaster**

The Port Chicago disaster was a deadly munitions explosion that occurred on July 17, 1944, at the Port Chicago Naval Magazine in Port Chicago, California, United States. Munitions detonated while being loaded onto a cargo vessel bound for the Pacific Theater of Operations, killing 320 sailors and civilians and injuring 390 others. Approximately two-thirds of the dead and injured were enlisted ...

This group - known as the Port Chicago 50 - was court-martialed and tried for mutiny. The case became high profile and eventually laid the ground work for the desegregation in the military. Carefully researched and written in an accessible way, the book shares the stories of a specific group of soldiers while demonstrating the importance of their story in the larger context of WWII America and the armed forces.
