The Upright Citizens Brigade Comedy Improvisation Manual is a comprehensive guide to the UCB style of long form comedy improvisation. A practical "how to" book, the guide provides exercises throughout to help the reader master each new concept and technique introduced. "From Funny Or Die senior writer and former artistic director at the Upright Citizens Brigade Theatre comes a collection of absurdist, hilarious stories and essays on relationships, technology, and contemporary society. A brave archaeologist journeys into a suburban man cave. Leif Eriksson writes Christopher Columbus a long overdue letter. A corporate flack admonishes a room of marijuana sales people to get their revenues up. A young man's penis turns into a lobster. Walt Whitman even teaches a spin class. With humor, originality, and narrative guile, Nate Dern examines man buns, dating apps, Wi-Fi terms and conditions, juicing crazes, vegetarianism, and so much more, all while plumbing his own life and a series of fantastical scenarios for a truth that's both revelatory and beautiful."--Jacket.

The first book from Upright Citizens Brigade comedian Laura Willcox, I AM BRIDE is a hysterical spoof of all the lavish, ridiculous, and stressful things a bride deals with when planning her BIG DAY. **As seen on The New Yorker SHOUTS and Refinery29!** In this bridal gag gift, Laura Willcox writes in the voice of

an overbearing, outrageous wedding planner, covering all aspects of a wedding—from the moment of engagement (hopefully with the ring you've been not so subtly emailing him about for months), all the way through the final minutes of the big day. Accompanied by Jason O'Malley's humorous illustrations, Willcox offers tongue-in-cheek advice for every wedding-planning moment, whether it's dreaming up the perfect wedding-weekend hashtag, planning a gift registry to make everyone jealous of your fabulous lifestyle, or figuring out how to distance yourself from the poor, unfortunate souls who didn't make the cut for your guest list. Laura Willcox's refreshing take on all things bride will turn tradition on its head, and have you rolling your eyes and reading passages out loud to your engaged (and married) friends. This funny book is a perfect gift for the friend who can't stop pinning to her dream wedding board, bridezilla-to-be, or any bride who would benefit from a much-needed break from the stress and madness of wedding planning.

Containing recollections from more than 80 of the comedic giant's closest friends and colleagues, this absorbing biography explores Del Close's old haunts, his sensational past, and the reality behind the tales he told so often. From traveling with a carnival and hanging out with a pre-Scientology L. Ron Hubbard to riding with the Merry Pranksters and using a coven of witches to help him kick a lifelong cocaine habit, Close led an incredibly rich life—one whose absurdity proved great fodder for improv theater. Astute and compassionate, Close influenced improvisational theater's greatest comedic talents of the last 50 years—Nichols and May, Lenny Bruce, Bill Murray, Chris Farley, Tina Fey—and coached the witty masterminds behind such comedic institutions as Second City, "Saturday Night Live," Groundlings, and the Upright Citizen's Brigade.
