Book Fifteen explicitly confirms my theory that The Walking Dead series is a explorative narrative of the rise of civilization. It seems to pull from classic philosophical views of Hobbes in places, but also has a touch of anarchist tendencies, though how pronounced is debatable.

The Walking Dead #15 in Apple Books

The first book explained how the Governor was created; this thrilling sequel to The New York Times bestseller further reveals his ruthless, inhuman conquest of Woodbury The zombie plague unleashes its horrors on the suburbs of Atlanta without warning, pitting the living against the dead. Caught in the mass exodus, Lilly Caul struggles to survive in a series of ragtag encampments and improvised shelters. But the Walkers are multiplying. Dogged by their feral hunger for flesh and crippled by fear, Lilly relies on the protection of good Samaritans by seeking refuge in a walled-in town once known as Woodbury, Georgia. At first, Woodbury seems like a perfect sanctuary. Squatters barter services for food, people have roofs over their heads, and the barricade expands, growing stronger every day. Best of all, a mysterious self-proclaimed leader named Philip Blake keeps the citizens in line. But Lilly begins to suspect that all is not as it seems. . . . Blake, who has recently begun to call himself The Governor, has disturbing ideas about law and order. Ultimately, Lilly and a band of rebels open up a Pandora's box of mayhem and destruction when they challenge The Governor's reign . . . and the road to Woodbury becomes the highway to hell in this riveting follow-up to Robert Kirkman and Jay Bonansinga's New York Times bestselling The Walking Dead: Rise of the Governor.

Recent events have thrown Alexandria intoturmoil, and now Rick, Dwight, Eugene and Negan all have something to prove.Meanwhile, a new world order awaits... Collects THE WALKING DEAD#169-180

It always comes down to this: At any moment, a zombie could leap out of the shadows and end your life. At last, it seems like there is a cause that unites mankind to end all our petty squabbles. But no. It's never that simple. Now Rick has a gun to his head.

This hardcover features twelve issues of the hit comicbook series, along with covers and a sketchbook, in one oversized hardcovervolume. Perfect for long-time readers and fans of the AMC TV show. Rick leads the Commonwealth's Governor,Pamela Milton, on a tour of the various communities Alexandria is aligned with.Naturally... terrible things begin to happen very quickly, and what's done can'tbe undone. Collects THE WALKING DEAD#181-192.

Who is Negan? Since his debut in THE WALKING DEAD #100, the charismatic psychopath has antagonized Rick Grimes, murdered his friend with a baseball bat wrapped in barb wire (which he calls "Lucille"), and led the Saviors into war against Alexandria and the neighboring communities. But who was he before society broke down? That question will be answered here, collecting the ñHEREIS NEGAN!ñ story originally serialized in IMAGE+ magazine

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

"Originally published in single magazine form as The walking dead #121-132."

The Walking Dead #15 in Apple Books

Just in time for the new season of The Walking Dead on AMC, the fan-favorite, New York Times bestselling series returns with its FOURTH massive paperback collection!
