The White Fleet (Blood on the Stars): Amazon.co.uk: Allan ...

The White Fleet is an excellent addition the world of Blood on the Stars. I especially liked how this book, now that the immediate threat presented by the Union is defeated (though not exterminated, and still gathering strength and causing trouble int he background), furthers worldbuilding by exploring worlds beyond the rim.

The White Fleet (Blood on the Stars #7) by Jay Allan

The White Fleet, as with the other books in Blood on the Stars series, is exceptionally good and left me with the feeling the entire Rim is up the doo-doo, particularly with the Union's usual under-hand strategies unbalancing things in the Confederation, as well as the new threat Tyler and the White Fleet discover.

The White Fleet (Blood on the Stars Book 7) eBook: Allan ...

Tyler Barron and his spacers have set out into the unknown, deep into the Badlands, seeking to discover the empire's old tech and the secrets of its tortured history before Gaston Villeneuve and the resurgent Union can beat them to it. The White Fleet is a vast force, powerful, and crewed by the toughest veterans from the war.

The White Fleet: Blood on the Stars, Book 7 (Audio ...

The White Fleet is the seventh novel in the series and as I often say if you have read the books so far that will certainly not be disappointed with this installment. Regular characters with circumstances obviously changing remain as strong as ever and new storylines open up as the military and political landscape changes.

The war is over, but the struggle continues. Tyler Barron and his spacers have set out into the unknown, deep into the Badlands, seeking to discover the empire's old tech and the secrets of its tortured history before Gaston Villeneuve and the resurgent Union can beat them to it. The White Fleet is a vast force, powerful and crewed by the toughest veterans from the war. Barron and his people know the future of the Confederation, even its survival, depends on recovering the scientific secrets of the empire before the enemy can do the same. Barron and his people push far beyond the Confederation's borders, to space untraveled since the Cataclysm. They are seeking the past, its secrets, its knowledge...but they will find a present that they never expected, a new and terrible danger, one that threatens not only the White Fleet, but the Confederation itself...even the entire Rim.

The pulsar...an ancient weapon of unimaginable power, one that threatens the Confederation with total destruction. The Union is preparing for the final invasion, one that cannot fail with the great artifact at the head of their fleet. The clock is ticking quickly toward midnight. There is a chance to avoid annihilation, a small one. The Confederation has its own ancient device recovered from the Badlands, a stealth generator. It is not as powerful as the pulsar, but it just may be enough. The generator can hide a single vessel, so Tyler Barron and the crew of Dauntless reunite to take their aging battleship once more into the breach. They will go to the Bottleneck, the system where the Union is preparing the final assault. They must sneak around the vast forces of the Union fleet, into the heart of the massively-defended system, and somehow destroy the pulsar. The fleet will be with them, all the might the Confederation can muster, but success hinges almost entirely on Dauntless's desperate attack. And, even if Barron and his people succeed in their mission, they will be trapped behind the enemy fleet, cut off and alone. Dauntless is book six of the Blood on the Stars series. Blood on the Stars will continue with The White Fleet.

Blood on the Stars book 9.

"The Hegemony is coming to impose its brutal system of genetic supremacy on the Confederation and the other nations on the Rim, to make its elite Masters the unchallenged rulers of all human habitation in the galaxy..." p. [4] of cover

A Deadly Fight to the Finish... The warrior culture of the Alliance has fragmented, and comrade fights comrade, brother kills brother. The Red Alliance forces, backed by the Union and its propaganda machine, have the advantage in numbers and position, and they are pushing forward, driving relentlessly toward the final attack, the one that will destroy their enemies. The Gray Alliance forces are weaker, trapped in the great Sentinel-2 fortress where they've established their headquarters. Their enemies have the larger fleets and armies, and control of the homeworld...but the Grays have Tyler Barron and Dauntless. The Confederation's celebrated captain and his famous ship have been reinforced, and the newly promoted Commodore Barron now commands a small fleet of battleships, every vessel Admiral Striker could spare to reinforce to aid the faltering Gray forces. One final battle is all that stands between the Red fleet and victory, and it seems the Grays have no choice but to stand on the defensive and wait for the fight they know they can't win. Unless try something else, a wild gamble, a desperate plan to

pull victory from the jaws of almost certain defeat. It will take all Barron and his people can give, and put Dauntless and the ships of his task force to the test. But it is the only way to win the victory, to prevent the Reds from a victory that can lead only to a disastrous invasion of the Confederation, one that Barron knows he has to stop...whatever the cost.

A Gripping New Adventure by the Author of the Bestselling Crimson Worlds and Far Stars series...The Confederation has fought three wars against the forces of the totalitarian Union. Three generations of its warriors have gone off to war, held the line against the larger, more powerful enemy. Now the fourth conflict is imminent, and the Confederation's navy is on alert, positioned behind the frontier, waiting for the attack it knows is coming. The battleship Dauntless has spent the past ten months patrolling the border, deployed far forward of the main fleet, a forlorn hope, an advance guard positioned to give the warning of invasion. But no attack has come. Her crew is exhausted, and the aging battleship needs maintenance. With the fleet mobilized and the forward bases overloaded beyond capacity, she is sent clear across the Confederation, to a planet along the quiet and peaceful far frontier. Her crew is looking forward to a rest, and Dauntless herself is scheduled for a long-overdue maintenance session. But the quiet frontier isn't what it seems...and when a distress call is received from one of the mining colonies on the edge of Confederation space, it falls to Captain Tyler Barron to take Dauntless forward, to find out what is happening, and to put a stop to it. Barron and his crew have their ship-and each other-but they can expect no other help. Suspicion is strong that Union deceit is at play, that the attack is some sort of diversion, intended to draw Confederation forces from the disputed border. The orders are clear. No ships will be transferred from the prospective battle line. Stopping whatever is happening on the rim is Barron's responsibility, and his alone. Barron is the grandson of the Confederation's great hero, the father of the modern navy. His family name has always carried privilege with it, and crushing responsibility. And now he must prove that he has inherited more from his famous grandfather than name and privilege. He must face the enemy, and win the victory...before the Confederation is caught between two enemies and destroyed. Blood on the Stars Reading Order Book 1: Duel in the Dark Book 2: Call to Arms (January 2017, Available now for preorder)

A Fight to the End... The Confederation and the Union have fought each other to a standstill. Battered, exhausted fleets eye each other warily across a border that has been a battlefield for three bloody years. Neither side has the strength to attack, and both wait for reinforcements that will allow them to resume the fight. On the worlds of the Iron Belt, the heavily industrialized sector near the Confederation's Core, massive shipyards operate around the clock, producing the great vessels that can end the war. The Union knows it cannot win the economic struggle with its wealthier, more productive

enemy, and Sector Nine, its feared spy agency, is not idle. Their focus is not on the front lines, the ravaged border between the two nations, but far off, beyond the Rim, in the strange, militaristic realm know as the Alliance. Sector Nine's intrigues are targeted at nothing less than instigating a coup, and bringing to power a regime that favors war against the Confederation, a change in government that will bring the fresh fleets of the Alliance into the war, striking at the Confederation's unguarded flank. Once again, Captain Tyler Barron and his battleship Dauntless must go back to the Rim, and on to the Alliance itself to somehow thwart the Union's plan...and prevent a two-front war the Confederation cannot win.

Your Favorite Card Games, All in One Place! Now you can enjoy all the games you've always loved--and find new favorites--with The Book of Card Games. From bridge and pitch to war and whist, this timeless collection outlines the rules to more than fifty classic games and a number of entertaining variations. Why not switch it up on the poker table and go all in during a round of Anaconda, Football, or Omaha? You can even have fun on your own with solitary games like Free Cell and Monte Carlo. The Book of Card Games stacks the deck in your favor for hours of entertaining fun with family and friends!

Featuring an appendix of discussion questions, the Diversion Classics edition is ideal for use in book groups and classrooms. Peter Blood, Irish physician and former soldier, is happily settled as the doctor of a small English town. But when the rebellion of the Duke of Monmouth reaches him, saving one man's life ends up costing him his entire world. Sentenced to indentured slavery in the Caribbean, Peter escapes, becoming the most fearless pirate on the Spanish Main—Captain Blood. But his life of adventure and the glory of his victories are no balm to Peter Blood's wounded soul. All he wants is a cleared name and return to England a free man, to win the heart of the beautiful Arabella Bishop.
