The Axis of Time trilogy is an alternative history series of novels written by Australian journalist and author John Birmingham, from Macmillan Publishing. The novels deal with the radical alteration of the history of World War II and the socio-historical changes that result when a technologically advanced naval task force from the year 2021 is accidentally transported back through time to 1942. The early chapters of the first book in the trilogy, Weapons of Choice, are set in the near future.
