Development
Ethical Politics

Overview. The major theme of Vygotsky's theoretical framework is that social interaction plays a fundamental role in the development of cognition. Vygotsky (1978) states: "Every function in the child's cultural development appears twice: first, on the social level, and

Development

Lev Vygotsky's
Sociocultural Theory

Vygotsky's theory is centered on the idea that social interaction is critical to cognitive development. With the exception of some large classes, students actively engage with their teacher and with each other.
