This title is filled with interesting
tidbits about the Civil War with a
focus on the weapons, gear, and
uniforms of the Confederates and
Yankees. After a brief introduction to
the conflict and a map showing the
states involved in the war, the book
describes the tools of warfare,
detailing the things the men carried
and what they wore.

The British Army used a variety of
standardized battle uniforms and
weapons during World War I.

According to the British official
historian Brigadier James E. Edmonds
recorded in 1925, "The British Army

World War Expeditionary Forces in
World War I is a detailed look at the
Battle uniforms, equipment, weapons,
personal items, insignia, and specialist
equipment of the American Army
during the Great War. This
comprehensive study uses over 100
original black and white photographs
of American soldiers, many of which
are previously unpublished. The book
also shows over 700 full color
photographs of original items as well
as recreated scenes that bring many
of these items to life. Finally, one book
that covers all of the nuances of the
American Doughboy during the Great
War, from common uniforms and
equipment, to the rare experimental
and private purchased items. This is
an indispensable work for any First
World War collector, living historian,
modeller and enthusiast.

File Type PDF Weapons Gear And Uniforms Of World War I Equipped For

Designed to be the standard reference on Axis soldiers in World War II
Covers troops from Germany, Italy, and Japan Original photos from museums and private collections as well as specially taken color photos of uniforms and equipment This first volume of Fighting Men of World War II offers a comprehensive, full-color look at the clothing (such as boots, pants, helmet, tunic, greatcoat, camouflage, and badges), equipment, weapons, vehicles, and rations of Axis soldiers. Also included are popular items, such as lighters, that were carried by many troops but were not standard issue. The accompanying text describes the items and also compares them to those of other armies. The result is a complete picture of the daily life and conditions

File Type PDF Weapons Gear And Uniforms Of

of the fighting men of all countries. It is an essential reference work for all military historians, collectors, and general readers. A second volume covering the Allies will be published in Fall 2008.

"Describes weapons, gear, and uniforms used by various military forces during America's biggest wars"--
