Sodom Had No Bible is a classic by one of America's foremost voices for revival. The book is a call for America to trust God for heaven sent revival. Ravenhill adds biographical sketches of great revivalists, including Jonathan Edwards, George Whitefield, Richard Baxter, John Wesley and many more.

For All Christians Who Yearn for Revival God's Way This no-compromise biblical clarion call to revival is timeless. Leonard Ravenhill clearly shows how the church can be brought from where it is to where it ought to be. The church still needs his message, first published in 1983, for as Ravenhill said, "We live in a generation which has never know revival--God's way." The message is drastic, fearless, and often radical. His goal for the church is nothing less than full restoration to the glory, power, holiness, and dignity that Christ intended for it.

A pungent book of messages deliberately designed to motivate Christians to increased prayer and obedience.

In an age where values are questioned, families are falling apart, and where quality is being replaced by quantity, there is an ever-growing need for a revival of the morals and beliefs of a more stable time. This book is a guide to revival, focusing on past revivals - their personalities and principles - in order to stir all people to seek and expect future revivals.

Rad-i-cal: Of or relating to the origin or root. New and different from what is traditional or ordinary. Of change or action, relating to or affecting the fundamental nature of something; far-reaching or thorough. Gone are the days when men walked into church and shook under the convicting power of God's presence. Instead, our dull, dry-eyed preaching tends to comfort the sinner and condone his sin. We need a return to the original New Testament type of praying and preaching. The early Church moved heaven and earth by their prayers; they changed hearts by their preaching. Peter's message on the day of Pentecost pierced his listeners to the heart. This word "pierced" is the same used when the soldier drove his spear into the side of Jesus, on the cross. Following the day of Pentecost, the disciples prayed for confidence and the place where they were gathered was shaken. They were filled with the Holy Spirit and spoke the Word of God boldly. If you want to find out how, then read RADICAL.

"Oh, that You would rend the heavens! That You would come down!" Millions have prayed that, and pray it now. In the Day of Thy Power is filled with plentiful quotations from eyewitnesses of revival and with inescapable biblical authority for such "times of refreshing . . . from the presence of the Lord." It unfolds the conditions by which God still comes, as in apostolic days, with "mighty signs and wonders, by the power of the Spirit of God." This first book of Arthur Wallis, written in 1956, was an immediate success when first published and has become a classic on the subject of revival.

"Here is a no-nonsense theologian who goes for the jugular. In Forsyth's company we are aware of both the glory and the gravity of what we are doing when we go to our knees in prayer." -Eugene H. Peterson P. T. Forsyth is sometimes described as an English pre-cursor to Karl Barth. He was born in 1848 to a Scottish family of humble origins and later in life attended Aberdeen University, where he graduated with first-class honours in classical literature in 1869. In 1876 he was ordained and called to minister in Shipley, Yorkshire. In his early ministry in the Congregational Church, Forsyth fought orthodoxy and sought for the right to rethink Christian theology and pursue liberal thought. In 1878, however, Forsyth experienced a conversion from, in his own words, "being a Christian to being a believer, from a lover of love to an object of grace." A profound awareness of pastoral responsibility was awakened which radically altered the the course of his ministry. His conversion thrust him from the leadership of liberalism to a recovery of the theology of grace. Quickly, he became one of the better-known figures in British Nonconformity. In 1894, he received a call to Emmanuel College in Cambridge, where he preached his famous sermon, "Holy Father" in 1896. In 1901, he accepted a position as principal of Hackney Theological College, London where he remained until he died in 1921. Over his lifetime Forsyth published 25 books and more than 260 articles. He is often credited with recovering for his generation the reality and true dimensions of the grace of God.

Heart Breathings is a fitting title for a book where words are only the vessel that somehow endeavors to hold, and show forth, the breathings of the spirit that is not flesh. There is a frustration when yearnings beyond words find themselves clothed in the only medium that can cause them to be tangible to others. These poems are the roarings and sighings and longings of the inarticulate soul trying to create a substance through which to transmit its feelings to others. Paul Ravenhill."

The one great obsession of A.W. Tozer's life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before published, this book presents A.W. Tozer's systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever.
