It's Swallows and Amazons to the rescue (they hope) in this wintertime adventure. The Ds (Dick and Dorothea) meet the Swallows and Amazons during the winter beside the lake and they all become great friends: joining together in ice skating, learning semaphore signals, refashioning an igloo, and building an ice sled.

Winter Holiday (Swallows and Amazons): Ransome, Arthur ...

A fascinating story which sees the Swallows, Amazons and D's skating on thin ice during unusually cold weather in the Lake District! The Coniston lake turns into a frozen winter wonderland, Nancy gets mumps and gives the gang an excuse to stay off school, and a trip to the North Pole is planned.

Winter Holiday (Swallows and Amazons) | Goodreads

Follows the adventures of two groups of children who spend a winter holiday by a great lake next to the mountains.

'You know what it's like. Dark at teatime and sleeping indoors: nothing ever happens in the winter holidays.' Or so Nancy thinks. Then the lake ices over completely and the Swallows and Amazons, along with Dick and Dorothea - 'the D's' - plan a race to find the North Pole. How will they reach it if they can't sail? By sledges of course! But when a blizzard blows up and there is a mix up about signals, the D's disappear into the Arctic night. Disaster looms. Can the Swallows and Amazons save their friends? BACKSTORY: Crack the Swallows and Amazons' code and learn all about the real Arctic exploration that inspired this book.

Winter Holiday (Swallows and Amazons) | Goodreads

In 1929, Arthur Ransome (1884-1967), a journalist and war correspondent who was on the books of MI6, turned his hand to writing adventure stories for children. The result was Swallows and Amazons and eleven more wonderful books followed, spanning inpublication the turbulent years from 1930 to 1947. They changed the course of children’s literature and have never been out of print since. In them, Ransome creates a world of escape so close to reality that it is utterly believable, a world in which things always turn out right in the end. Yet Swallows, Amazons and Coots shows that, to be properly appreciated today, the novels must be read as products of their era, inextricably bound up with Ransome’s life and times as he bore witness to the end of Empire and the dark days of the Second World War. In the first critical book devoted wholly to the series, Julian Lovelock explores each novel in turn, offering an erudite assessment of Ransome’s creative process and narrative technique, and highlighting his contradictory politics, his defence of rural England, and his reflections on colonialism and the place of women in society. Thus Lovelock demonstrates convincingly that, despite first appearances, the novels challenge as much as reinforce the pervading attitudes of their time.Written with a lightness of touch and enlivened by Ransome’s own illustrations, Swallows, Amazons and Coots is both fresh and nostalgic. It will appeal to anyone who has enjoyed the world of Swallows and Amazons, and there is plenty here to challenge both the student and the Ransome enthusiast.

Winter Holiday (Swallows and Amazons) | Goodreads

The first book-length study of the relationship between children's literature and ecocriticism.

Winter Holiday (Swallows and Amazons) | Goodreads

Arthur Ransome is best known for the twelve immortal Swallows and Amazon, idyllic children’s novels he wrote on his return from Russia in 1928. From, his prose he seems a genial and gentle Englishman, who, like his protagonists, pursued benign maritime adventures. However this was not the complete story. From 1917 to 1924 he was the Russian correspondent for two English newspapers, and his sympathy for the Bolshevik regime gave him unparalleled access to its leaders, policies, politics and plots. He was also the lover, and later the husband of Evgenia Shelepina, Trotsky's private secretary. His contacts earned him not only the admiration of liberals, both in the UK and US, but a place in the British Secret Intelligence Service.

In 1973 Sophie Neville was cast as Titty alongside Virginia McKenna, Ronald Fraser and Suzanna Hamilton in the film Swallows & Amazons. Made before the advent of digital technology, the child stars lived out Arthur Ransome's epic adventure in the great outdoors without ever seeing a script. Encouraged by her mother, Sophie Neville kept a diary about her time filming on location in the lakes and mountains of Cumbria. Bouncy and effervescent, extracts from her childhood diary are interspersed among her memories of the cast and crew as well as photographs, maps and newspaper articles, offering a child’s eye view of the making of the film from development to premiere - and the aftermath.
